

# Healthcare Solutions

ESI is a customer obsessive organization that designs, develops and distributes work gear that allows individuals to create highly productive and comfortable environments. Leveraging a foundation of operational excellence, product innovation and distribution management, ESI strives to exceed the expectations of our customers, users, team members and stakeholders.

# The ESI Difference

## Customer Service Department

Toll Free: 800.833.3746

[customerservice@esiergo.com](mailto:customerservice@esiergo.com)

Please e-mail your orders to [orders@esiergo.com](mailto:orders@esiergo.com)

[orders@esiergo.com](mailto:orders@esiergo.com).

ESI's customer obsessive, award-winning team is on-call to assist with any work gear needs. We are ready to answer questions or recommend products that help customers achieve their best at work.

ESI honors a no restocking fee for our customers, if the return is approved in advance.

## 48 hours

ESI can fulfill orders in as little as 48 hours based on product on-hand availability. We do this by maintaining high inventory levels of the most popular products so our customer can meet ambitious deadlines and schedules. ESI's exceptional fulfillment service ensures you get the products you want, when you want them. Unless otherwise specified, most of ESI's products ship within two business days after the order is placed and acknowledged.

## Lead time

The **LT** product marker indicates that the lead time may vary depending on quantities ordered and their availability. Please contact our Customer Service Department for on-hand availability when placing orders for products marked with LT. Purchase Orders that include LT designated products will be shipped based on the lead time of those products. Split shipments are available for orders that include both LT and non-LT products.

## 15 year warranty

ESI's work gear is backed by an industry-leading 15 year product warranty – giving you confidence to take on your work, your way. Ask us about our labor warranty reimbursement program. View the full warranty policy at [esiergo.com](http://esiergo.com) or contact our Customer Service Department for more information.

## Reserved inventory

ESI's team is focused on helping our customers execute large projects on time. A Reserved Inventory Program is offered for projects totaling at least \$15,000 net. Find out how this program can help make your projects a success by contacting our Customer Service Department.

## General information

All prices in the catalog are effective June 1, 2021, and are list price in U.S. dollars. All measurements are accurate within 0.25". Visit ESI's website [esiergo.com](http://esiergo.com) for additional specs, dimensional drawings, alternative images and more resources for all of ESI's products.

## Sustainability

What works for us also works for our planet. As a company, we're committed to providing solutions that foster sustainability and a focused attention on maintaining good environmental practices. That means selecting products that reflect this commitment. Adopting procedures that promote sustainability. Creating recycling programs. Reviewing and enhancing our operations. Because for us, it's the right thing to do.

# Government

ESI is proud to provide ergonomic work gear to federal, state, and local governments.

Visit [esiergo.com](http://esiergo.com) for a complete list of our government contracts and Cooperative Purchasing Agreements. Or contact our Customer Service Department.

The products available through GSA are designated as

# Wall-mounted work gear

Deliver work gear in limited spaces with wall-mounted solutions. Ideal for multiple users in community spaces, wall mounted work gear increases efficiency, productivity, and collaboration. Amplify your team's productivity with gear tailored for your space.

*Product shown: Titan2-Edge*

### Titan-Edge

Single track-mounted workstation

**\$1,398**

MODEL # TITAN-EDGE

Keyboard arm and monitor arm can be positioned anywhere along the wall track

For left or right-handed users

Keyboard tray folds up or down to save space

Edge® monitor arm

One 31.5" aluminum alloy wall track

Includes track covers to conceal cords

### Titan2-Edge

Dual track-mounted workstation

**\$1,618**

MODEL # TITAN2-EDGE

Keyboard arm and monitor arm can be positioned anywhere along the wall track

For left or right-handed users

Keyboard tray folds up or down to save space

Edge® monitor arm

Two 31.5" aluminum alloy wall tracks (63.0" total)

Mini CPU holder (PAC-CPUMINI)

Includes track covers to conceal cords

### Mini CPU holder

Specifically for Titan track series

**\$114**

MODEL # PAC-CPUMINI

3.3"-6.0" adjustable width

55 lb. load capacity

Fits CPUs 5.0"-20.0" in overall height

Compatible only with the Titan track series

### Locking CPU holder

Specifically for Titan track series

**\$510**

MODEL # PAC-CPULOCK LT

3.5"-9.3" adjustable width

12.5"-22.5" adjustable height

85 lb. load capacity

Heavy duty knob with special hex key

Compatible only with the Titan track series

# Work gear on wheels

Built-in wheels make this convenient equipment portable and easy to move so you can keep technology accessible for an efficient work environment.

Product shown: WOW

Product shown: WOW01

## **Additional accessories**

### **WOW**

Complete workstation-on-wheels

**\$1,633**

MODEL # WOW

Pneumatic lift platform with wire controller

5-star base with heavy-duty casters (*2 locking*)

Includes cable management system

13.0" height adjustment for platform  
28.0"-41.0" (low/high)

26.8"w x 22.8"d platform measurement

28.8" diameter base measurement

20lb. weight capacity (*including surface*)

Platform with palm rest

Fixed monitor mount

CPU holder

13.0"-21.0" adjustable height

2.5"-8.3" adjustable width

50lb. capacity

### **WOW01**

Base model workstation-on-wheels

**\$1,057**

MODEL # WOW01

Pneumatic lift platform with wire controller

5-star base with heavy-duty casters (*2 locking*)

Includes cable management system

13.0" height adjustment for platform  
28.0"-41.0" (low/high)

26.8"w x 22.8"d platform measurement

28.8" diameter base measurement

20lb. weight capacity (*including surface*)

Additional accessories available

### **CPU Holder**

Specifically for WOW series

**\$276**

MODEL # WOWCPU

Adjustable CPU holder for WOW01

Non-porous foam material prevents CPU damage

Can be cleaned and sanitized to maintain a germ-free environment

50lb. capacity

13.0"-21.0" adjustable height

2.5"-8.3" adjustable width

Compatible only with the WOW/WOW01

### **Monitor Mount**

Fixed height monitor arm for WOW series

**\$231**

MODEL # WOWMR

+90°/-25° monitor tilt

90° portrait/landscape adjustment

90° side-to-side rotation

Compatible only with the WOW01

Visit our website for additional specs, dimensional drawings, alternative images and more resources for all of ESI's products.

Create high performance work environments with work gear that enhances worker comfort and productivity.

# Ergonomic guidelines

- 1** **Adjustable monitor arms** help eliminate the tendency to sit in awkward positions by maintaining the proper viewing distance, height and angle of the monitor. Monitor arms keep the neck, shoulders and back in the proper posture to reduce muscle fatigue. They also free up the workspace to reduce clutter and increase efficiency and collaboration. Using dual monitors can increase productivity over a single monitor.
- 2** **CPU holders** raise the CPU off the floor, making them easier for the user to reach and reducing the tendency to stretch into an awkward position. CPU holders also help free up workspace as well as leg room in user's workstation.
- 3** **Adjustable keyboard platforms** help maintain a neutral wrist position and eliminate strain, improper posture, and discomfort. Proper keyboard positioning can help eliminate musculoskeletal disorders.
- 4** **Adjustable task lighting** gives the user maximum control of their own workspace lighting for optimal comfort, and help reduce eyestrain and fatigue. Energy efficient lights can reduce energy consumption and costs.
- 5** **Height adjustable workstations** give users the flexibility to change positions frequently and easily throughout the day, which improves health and productivity.
- 6** **Footrests** can help decrease circulation problems that can occur from long periods of sitting or inactivity. By supporting the legs, footrests can relieve pressure on the lower back.

# Monitor arms

Adaptable for any workspace, flexible monitor arms can optimize your desk space and increase your productivity. Easily adjust up to six monitors to maximize comfort and efficiency. Configurations grow with you, so your monitors will keep pace with your needs.

Product shown: (Top Left) Eppa2, Triumph-LX (Top Right) Edge2-MS (Bottom) Evolve3-FMS

# Eppa™ series

**Eppa**  
Single monitor arm  
**\$239**  
MODEL # EPPA-SLV

## Available arm finishes

Silver -SLV

### Height adjustment

Beneath the Eppa's minimal design is a reliable and smooth finger touch gas spring adjustment control that supports an 10.5 inch dynamic height adjustment range.

### Retraction

Retracting to a four inch depth and extends 20 inches, Eppa offers a comfortable viewing distance no matter the size of the workstation.

### Conversion

Reuse most of the parts in your single Eppa arm when you convert up to the dual Eppa2 with our simple kit. Conversion kit sold separately.

### Quality testing

Meets or exceeds BIFMA x5.5 and CSA CAN/CGSB44.227 guidelines.

### Eppa conversion kit

Converts an existing Eppa single monitor arm to an Eppa2 dual arm.

#### Kit includes:

- One single arm
- One dual base
- One clamp
- One grommet mount

### \$297

# Evolve Series

## Evolve1-F

Single fixed monitor arm

**\$343**

MODEL # EVOLVE1-F-\_\_-

GSA

## Evolve1-M

Single motion monitor arm

**\$433**

MODEL # EVOLVE1-M-\_\_-

GSA

## Evolve2-FMS

Dual fixed + motion + slider monitor arm

**\$990**

MODEL # EVOLVE2-FMS-\_\_-

GSA

## Evolve2-MS

Dual motion + slider monitor arm

**\$869**

MODEL # EVOLVE2-MS-\_\_-

GSA

## Available arm finishes

Silver -SLV

Black -BLK

White -WHT

## Evolve motion arms

Evolve configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

## Evolve fixed arms

Evolve configurations using only fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

## Slider mount

Position virtually any monitor side-by-side with a slider. The slider (S) offers eight and a half inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush.

## Flexible growth

Because the Evolve is pole mounted, arms can be added as needed to support additional monitor.

## Quality testing

Meets or exceeds BIFMA x5.5 and CSA CAN/CGSB44.227 guidelines.

## Customize the Evolve

As workstation needs change, so can the Evolve configurations. Additional components are sold separately.

Motion arms

Fixed arms

Stubby arms

30.0" pole (*height includes base*)

Slider mounts

Contact our Customer Service Department for compatibility and pricing for custom configurations

## Evolve Conversion Kit

Converts an existing Evolve1-MS single monitor arm to an Evolve2-MS dual arm.

Kit includes:

One slider

One single motion arm

One arm stem

**\$374**

MODEL # EVOLVEKIT-1MS2MS-\_\_-

Available in silver, black and white

Visit our website for additional specs, dimensional drawings, alternative images and more resources for all of ESI's products.

# Sena™ Series

## Sena

Single monitor arm

**\$288**

MODEL # SENA-\_\_-

GSA

## Sena 2

Single monitor arm

**\$534**

MODEL # SENA2-\_\_-

GSA

### Available arm finishes

Silver -SLV

Black -BLK

White -WHT

### Proprietary design

Sena has been uniquely designed for ESI.

### Flexible and Adaptable

By retracting and extending, the Sena series offers a comfortable viewing distance no matter the size of the workstation. If desired, a 180° lockout prevents the arm from retracting past the back edge of the worksurface.

### Position with Precision

The patent-pending double track slider boasts the most adjustment of any ESI monitor arm. With 11" of total adjustability, the monitor can be fine tuned to the best ergonomic placement.

Visit our website for additional specs, dimensional drawings, alternative images and more resources for all of ESI's products.

# Sena™ EX Series

## Sena EX1-F

Single monitor arm

**\$252**

MODEL # SENAEXF1-F-\_\_-

## Sena EX1-M

Single monitor arm

**\$324**

MODEL # SENAEXF1-M-\_\_-

## Sena EX2-FMS

## Proprietary design

Kata has been uniquely designed for ESI.

## Connection sleeve

The unique design of the connection sleeve accommodates up to three monitor arms depending on the configuration. Allows arms to be mounted at 90°, 120° or 180°.

## Tension adjustment indicator

A clear gauge on the back of the motion arm allows users to see tension levels while adjusting the arm for various weight levels.

## KataEX motion arms

KataEX configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

## KataEX fixed arms

KataEX configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

## Flexible growth

Because the KataEX is pole mounted, arms can be added as needed to support additional monitors.

## Quality testing

Meets or exceeds ANSI/BIFMA x5.5 guidelines.

# Sit-to-stand workstations

Stay comfortably on the move with desks that quickly and easily adjust to the best height for you. Sit-to-stand workstations support monitors or laptop computers, and feature built-in keyboard platforms. Any fixed-height workstation can be easily retrofitted to offer adjustable height options, so you can keep your momentum and your mobility.

## S2S

Sit-to-stand workstation

**\$757**

MODEL # S2S-BLK

GSA

### Vertical motion

Straight vertical travel increases stability of work gear and technology.

### Precision positioning

Moves all of the workstation essentials in one fluid motion, stopping at any point along the way.

### Weight adjustment

Weight adjustable counterbalance pneumatic lift capability; built-in tension adjustment makes even heavy loads easy to lift with one hand. Tension is pre-set to lift 22 pounds.

### Add monitor arms

Compatible with Eppa™, Edge® and Evolve single and dual monitor arms.

*Monitor arms sold separately*

## Climb

Single monitor arm sit-to-stand workstation

**\$922**

MODEL # CLIMB1-SLV

### Flexible positioning

Utilize your complete worksurface area by rotating the workstation side-to-side with the articulating arm. Single monitor arm integration allows monitor to be rotated for view in landscape or portrait orientation.

### Palm rest

Includes palm rest, adaptable for left or right-handed users on the keyboard platform.

Pneumatic height adjustment

Clamp mount to worksurface

Cable management

## Climb2

Dual monitor arm sit-to-stand workstation

Visit our website for additional specs, dimensional drawings, alternative images and more resources for all of ESI's products.

# Power solutions

Position the power where you need it. Worksurfaces get a charge with the FlexCharge series, while workstations can be wired with the Railway series. Flexible mounting options make these adaptable for any workspace including individual workstations, conference rooms, collaborative spaces, and benching environments.

Product shown: (Left) FlexCharge9; (Right) FlexCharge4
