

Spare Parts RECYCLING PROGRAM

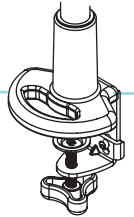

ESI's Edge and Evolve series of monitor arms are shipped with both a desk clamp and grommet mount – making them simple to order and install. After the installation is complete, the unused desk clamp or grommet mount can be sent back to ESI at no cost to you. ESI will then properly dispose of or recycle the parts as appropriate. Our Spare Parts Recycling Program prevents leftover parts from taking up space in your facility or in a landfill. This program is voluntary, but we hope you will participate.
