Spare Parts Program

Spare Parts

RECYCLING PROGRAM

Grommet Mount

ESI's Edge and Evolve series of monitor arms are shipped with both a desk clamp and grommet mount – making them simple to order and install. After the installation is complete, the unused desk clamp or grommet mount can be sent back to ESI at no cost to you. ESI will then properly dispose of or recycle the parts as appropriate. Our Spare Parts Recycling Program prevents leftover parts from taking up space in your facility or in a landfill. This program is voluntary, but we hope you will participate. Desk Clamp

(A minimum of 50 desk clamps or grommet mounts is requested to participate in the program)

After installation of your Edge[®] or Evolve monitor arms, set aside the unused desk clamps or grommet mounts and put them in a shippable box. Contact ESI Customer Service at 800.833.3746 or **customerservice@esiergo.com** with your order number and quantity of desk clamps or grommet mounts you will be sending back.

ESI customer service will then schedule a pick up at your facility.
