Portable Work Gear

Hana™ Series

Portable Work Gear

Monitor Riser

Maximize desk space while elevating your monitor to a comfortable viewing height to reduce eye, neck, and shoulder strain. Three height settings to achieve the perfect height. Front facing and rear-facing dual USB ports keep devices powered. Metal base with real wood finish, available in black or white.

Model

- ☒ HANA-MR-BLK
- ☐ HANA-MR-WHT

Laptop Support

Elevate the laptop to eye level to reduce neck, back and shoulder strain. Effortlessly move positions with finger touch gas spring adjustment. Includes integrated USB ports. Metal base with real wood finish, available in black or white.

Model

- ☒ HANA-LTS-BLK
- ☐ HANA-LTS-WHT

Foot Support

Supports your feet and encourages motion to improve circulation and back comfort. Light or heavy tension setting and two height settings for sitting and standing. Metal base with non-slip real wood finish, available in black or white.

Model

- ☒ HANA-FS-BLK
- ☐ HANA-FS-WHT
