Healthcare Solutions

esi

Who we are

At ESI, we design products for the movers and shakers of this world—work gear that keeps you active, healthy, focused, productive, and engaged, every single day. The pace of business is faster than ever, but we're here to propel you forward at work, at home, and in between.

Geared for today's fast-paced lifestyle, our extensive catalog of work gear will empower you to be energized and productive.

The ESI Difference

Customer Service Department

Award-winning service

Our customer obsessive, award-winning team is on call to assist you with all your work gear needs. We are ready to answer your questions or recommend products that help you achieve your best.

48 hour shipping

We can fulfill orders in as little as 48 hours based on product on-hand availability. We do this by maintaining high levels of our most popular products so you can meet ambitious deadlines and schedules. Our exceptional fulfillment service ensures you get the products you want, when you want them. Unless otherwise specified, most of ESI's products ship within two business days after your order is placed and acknowledged.

Lead time

The **LT** product marker indicates that the lead time may vary depending on quantities ordered and their availability. Please contact our Customer Service Department for on-hand inventory when placing orders for products marked with LT. Purchase Orders that include LT designated products will be shipped based on the lead time of the LT designated products. Split shipments are available for orders that include both LT and non-LT products.

15 year warranty

Our work gear is backed by an industry-leading 15 year product warranty – giving you confidence to take on your work, your way. View our full warranty policy at esiergo.com or contact our Customer Service Department for more information.

Reserved inventory

Our team is focused on helping you execute large projects on time. We offer a Reserved Inventory Program for projects totaling at least $15,000 net. Find out how the Reserved Inventory Program can help make your project a success by contacting our Customer Service Department.

General information

All prices in the catalog are effective July 16, 2018, and are list price. All measurements are accurate within 0.25". Visit our website for additional specs, dimensional drawings, alternative images and more resources for all of ESI's products.

Sustainability

Sustain and strengthen our environment with ESI. Our company is dedicated to selecting products and adopting forward-thinking procedures that support sustainability. We consider people and our planet with everything we do—from selecting product materials, to recycling programs and our facility operations. When you choose ESI, you are choosing to support our proactive approach to creating quality work gear that also works for the environment.

Government

ESI is proud to provide ergonomic work gear to federal, state, and local governments.

Visit esiergo.com for a complete list of our government contracts and Cooperative Purchasing Agreements. Or contact our Customer Service Department.

Create high performance work environments with work gear that enhances worker comfort and productivity.

Ergonomic guidelines

1 **Adjustable monitor arms** help eliminate the tendency to sit in awkward positions by maintaining the proper viewing distance, height and angle of the monitor. Monitor arms keep the neck, shoulders and back in the proper posture to reduce muscle fatigue. They also free up the workspace to reduce clutter and increase efficiency and collaboration. Using dual monitors can increase productivity over a single monitor.

2 **CPU holders** raise the CPU off the floor, making them easier for the user to reach and reducing the tendency to stretch into an awkward position. CPU holders also help free up workspace as well as leg room in user's workstation.

3 **Adjustable keyboard platforms** help maintain a neutral wrist position and eliminate strain, improper posture, and discomfort. Proper keyboard positioning can help eliminate musculoskeletal disorders.

4 **Adjustable task lighting** gives the user maximum control of their own workspace lighting for optimal comfort, and help reduce eyestrain and fatigue. Engery efficient lights can reduce energy consumption and costs.

5 **Height adjustable workstations** give users the flexibility to change positions frequently and easily throughout the day, which improves health and productivity.

6 **Footrests** can help decrease circulation problems that can occur from long periods of sitting or inactivity. By supporting the legs, footrests can relieve pressure on the lower back.

Monitor arms

Adaptable for any workspace, flexible monitor arms can optimize your desk space and increase your productivity. Easily adjust up to six monitors to maximize comfort and efficiency. Configurations grow with you, so your monitors will keep pace with your needs.

Product shown: (Top Left) Eppa2, Triumph-LX (Top Right) Edge2-MS (Bottom) Evolve3-FMS

Eppa™ Series

Eppa
Single monitor arm

$262
MODEL # EPPA-SLV

Eppa2
Dual monitor arm

$512
MODEL # EPPA2-SLV

Available arm finishes

⬤ Silver -SLV

Height adjustment
Beneath the Eppa's minimal design is a reliable and smooth finger touch gas spring adjustment control that supports an 10.5 inch dynamic height adjustment range

Retraction
Retracting to a four inch depth and extends 21.2 inches, Eppa offers a comfortable viewing distance no matter the size of the workstation

Conversion
Reuse most of the parts in your single Eppa arm when you convert up to the dual Eppa2 with our simple kit. Conversion kit sold separately

BIFMA
Exceeds BIFMA x5.5 requirements

Eppa conversion kit
Converts an existing Eppa single monitor arm to an Eppa2 dual arm.
Kit includes:
(1) one single arm
(1) one desk stand
(1) one clamp and grommet mount

$263
MODEL # EPPA2KIT-SLV
Available in silver

● Black -BLK **LT**

○ White -WHT **LT**

Evolve motion arms
Evolve configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease

Evolve fixed arms
Evolve configurations using only fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments

Slider mount
Position virtually any monitor side-by-side with a slider. The slider (S) offers nine inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush

Flexible growth
Because the Evolve is pole mounted, arms can be added as needed to support additional monitors

Customize the Evolve
As workstation needs change, so can the Evolve configurations. Additional components are sold separately.
Motion arms
Fixed arms
Stubby arms
30.0" pole
Slider mounts

Contact our Customer Service Department for compatibility and pricing for custom configurations

Evolve conversion kit - 1MS2MS
Converts an existing Evolve1-MS single monitor arm to an Evolve2-MS dual arm.
Kit includes:
(1) One slider
(1) One single motion arm
(1) Arm stem

$335

Sit-to-stand workstations

Stay comfortably on the move with desks that quickly and easily adjust to the best height for you. Sit-to-stand workstations support monitors or laptop computers, and feature built-in keyboard platforms. Any fixed-height workstation can be easily retrofitted to offer adjustable height options, so you can keep your momentum and your mobility.

Product shown: Eppa2, S2S, FlexCharge4

S2S
Sit-to-stand workstation

$680
MODEL # S2S-BLK

GSA

Vertical motion
Straight vertical travel increases stability of work gear and technology

Precision positioning
Moves all of the workstation essentials in one fluid motion, stopping at any point along the way

Weight adjustment
Weight adjustable counterbalance pneumatic lift capability; built-in tension adjustment makes even heavy loads easy to lift with one hand. Tension is pre-set to lift 22 lbs.

Add monitor arms
Compatible with Eppa, Edge and Evolve single and dual monitor arms. *Monitor arms sold separately*

Climb
Single monitor arm sit-to-stand workstation

$828
MODEL # CLIMB1-SLV

GSA

Flexible positioning
Utilize your complete worksurface area by rotating the workstation side-to-side with the articulating arm. Single monitor arm integration allows monitor to be rotated for view in landscape or portrait orientation

Palm rest
Includes palm rest, adaptable for left or right-handed users on the keyboard platform

Pneumatic height adjustment

Clamp mount to worksurface

Cable management

Climb2
Dual monitor arm sit-to-stand workstation

$989
MODEL # CLIMB2-SLV

GSA

Visit our website for additional specs, dimensional drawings, alternative images and more resources for all of ESI's products.

Height adjustable tables

Keep moving throughout your day with height adjustable tables. Sit or stand options can be quickly and easily tuned to your comfortable height. Adaptable for any workspace, these tables can be used for workstations, individual offices, training rooms, and open environments. Options include electric, pneumatic, and crank bases, with two or three-leg configurations.
