

PL003
RECTANGLE

Rectangle platforms accommodate both the keyboard and mouse on the same level. The palm rest(s) allows for left- or right-handed mousing.

All platforms include gel palm rests, mouse pad, mouse guards and cord management clips at no extra charge.

- For use with straight edge worksurfaces
- Palm rests can be configured to support left or right-handed users
- Available in 19", 25" and 27" widths
- Made from black ¼" thin phenolic for maximum knee clearance
