

Ordering Information

State of New Mexico – End User

PRICING: ESI's product list and State of New Mexico discount pricing is found on the V28 State of New Mexico price list effective January 1, 2017. Multiple quantity "tier" pricing is shown on the price list. Multiple products can be combined to reach individual tiers. Products included in ESI's V28 catalog, but not on the price list can be purchased as "Open Market" items. The term "Open Market" must be included next to the part number or within the product description. "Open Market" items may be purchased using standard State of New Mexico discounting terms.

ORDERING: Forward the NM state contract Purchase Order (PO) by email to orders@esiergo.com. State of New Mexico customers can choose to be billed directly by the manufacturer. Please have the State of New Mexico entity issue the PO to ESI, C/O (Dealer of Record) which will ensure proper credit of the order to the dealer. If the PO is issued to the Dealer, ESI will need a copy of the first page of the PO and page(s) which include the ESI products being ordered. ESI also accepts credit cards for purchases. Contact our Customer Service department for assistance.

SHIPPING: **48 HOUR SHIP PROGRAM**
ESI offers 48 hour shipping on the majority of products. 48 hour ship products are shipped out of Phoenix, Arizona, within two business days of receiving the PO, depending on quantity ordered and available inventory. Orders that include products with longer lead times including special orders, custom products, or worksurface orders, are designated as "LT" (lead time) and therefore not included in the 48 hour ship program. Large orders may also require additional lead time. Products designated as LT could take up to 90 days ARO for delivery. Call for on-hand availability.

Please note:

1. For the order to qualify for 48 hour shipping, all products on the PO must be available under the 48 hour ship program.
2. POs that include LT designated products will be shipped based on the lead time of the LT designated products, unless otherwise requested.
3. 48 hour orders will be shipped out in two business days unless otherwise specified on the PO.

FREIGHT TERMS

ESI ships orders by way of standard ground carrier service dock-to-dock within the contiguous 48 states. Special requests such as "call before delivery", "delivery lift gate required", residential delivery, re-routed deliveries, or specific delivery date/time requests may be subject to additional charges or may not be available. Contact customer service for expedited delivery requests or deliveries outside of the contiguous 48 states.

Customers will be charged additional fees for changes made to orders that have already departed the facility, resulting in re-delivery or re-consignment.

ESI accepts requests for expedited freight at the customer's expense. Please contact customer service at 800.833.3746 and provide your preferred carrier account number in which to charge the expedited freight.

Worksurfaces are not sold separately and must be purchased with a table base. Worksurfaces may be drop-shipped from a separate location and may arrive on a date different than the other items on the order.

Freight is free for orders of five (5) or more table bases or table bases with worksurfaces. A \$100 freight fee will be charged for orders of four (4) or less table bases. For orders including worksurfaces, there will be an additional \$100 freight fee.

Orders under \$100 net will incur a \$15.99 flat shipping fee.

Packages should be inspected upon receipt and any shortages must be conveyed within five (5) business days of delivery. We are not responsible for damages or shortages occurring after delivery. Additional shipping charges will apply for expedited shipping, inside delivery or lift gate services. We are happy to drop ship to any customer within the 48 contiguous United States at no extra charge.
