

assembly and operation instructions

FlexCharge9™

tabletop power pod

Model #FCH9-POD-WHT

Model #FCH9-POD-BLK

Safety instructions/warning

Always read the safety instructions carefully.

- Do not install near heat sources such as radiators, heat registers stoves, or other equipment (including amplifiers) that produce heat.
- Unplug the unit during lightning storms or when unused for extended periods of time.
- To reduce the risk of fire or electric shock, do not expose this unit to rain or moisture, including any drips or splashes.
- Objects filled with liquids such as vases, should never be placed on or near the unit.
- Do not open due to risk of electric shock hazard.
- The outlet used to power the unit should be easily accessible and located near the equipment.
- The unit is for indoor use only.
- Please refer to the marking label on the unit for input and output ratings. Do not overload the power supply.
- DO NOT USE this product in life support applications where failure of this unit can reasonably be expected to cause the failure of the life support equipment or to significantly affect its safety or effectiveness is not recommended. Do not use this equipment in the presence of a flammable anesthetic mixture with air, oxygen or nitrous oxide.
- This product intended for use as a charging devise only. Not intended for use as an external power supply on a permanent basis.
- Failure to adhere to these instructions effectively voids the warranty.

Set-up

Set-up of the FlexCharge9 is quick and easy. Simply position the pod in the desired location and plug the power cord into a wall outlet. No assembly is required.

Note: do not discard the packaging until satisfied that the product operates to your satisfaction.

Tips

- The FlexCharge9 is ideal for the worksurfaces in meeting rooms and conference rooms. The five surge-protected AC outlets and four USB charging ports provide simultaneous power to multiple computing devices, from tablets and smart phones to laptops and projectors.
- Mobile professionals demand instant access to information and resources on their mobile devices. Nowhere is that access more important than in meeting rooms and conference rooms, where people share ideas to make informed decisions. Reliable AC power is essential in these settings.

Usage

- Plug up to five AC-powered devices into the surge-protected outlets on the FlexCharge9.
- Plug up to four USB devices — tablets, smart phones, etc. — into the fast-charging USB ports to ensure reliable power to those devices in even the longest-lasting meetings.
- Each 3.1A quick-charging module is good for charging one tablet and one smart phone at the same time.

Additional features

- Power light indicates that power is being supplied to the FlexCharge9.
- Be sure to check this light before expecting devices to be powered or charged.
- Protected indicator light lets you know your equipment is protected from voltage spikes.
- Rotated AC outlet orientation designed to accommodate larger plugs.
- Product can be placed over a grommet hole and the power cord can then be pulled through to a power source under the table.

LIMITED WARRANTY

ESI warrants this product to be free from defects in manufacturing for a period of one year from the date of original purchase. This warranty extends only to the original purchaser, and does not apply if the product has been damaged or fails to function properly as a result of misuse, abuse, modification, alteration, or improper cleaning or maintenance. This warranty does not apply to damage in shipment caused by carriers, damage caused during installation, normal wear and tear, or excessive use (meaning consistent use in excess of an eight hour shift). ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN DURATION TO ONE YEAR FROM THE DATE OF ORIGINAL RETAIL PURCHASE. ESI's sole obligation under this warranty or any implied warranty, and the purchaser's sole remedy, is limited to the repair or replacement, at ESI's option, of the product or any defective part. Costs (such as installation, labor fees or express shipping) incurred due to replacement of products are not covered under warranty. IN NO EVENT SHALL FELLOWES, ITS AFFILIATES, SUBSIDIARIES, RELATED ENTITIES OR THEIR RESPECTIVE OFFICERS, DIRECTORS, OR EMPLOYEES, BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, PUNITIVE, EXEMPLARY, OR SPECIAL DAMAGES.

To make a warranty claim, contact ESI at 800-833-3746 or customerservice@esiergo.com. You must provide proof of purchase, such as the original purchase order number.

The duration, terms and conditions of this warranty are valid worldwide, except where different limitations, restrictions or conditions may be required by local law.
