WEIGHT ADJUSTABLE  
**ESPREE™**

PNEUMATIC TABLE BASE

Height Adjustable  
From 26" to 46"

Designed to work well in various environments such as **private offices, home offices, benching, education, and collaborative workspaces.**

The *Weight Adjustable Espree* includes a gauge that **supports a broad range of worksurface weights** for easy height adjustment. This allows the table to **adapt over time** with the changing technology and work tool needs of the user.
