

esi

S2S

sit-to-stand workstation

sit, stand, be well

S2S quickly converts a fixed height desk to an active, height adjustable workstation. Featuring two platforms, one for a keyboard and mouse, and the other for a monitor or laptop – the S2S moves all of the workstation essentials in one fluid motion, stopping at any point along the way.

One-handed operation with weight adjustable pneumatic lift capability

Worksurface and keyboard tray move simultaneously
