Customer service

Toll Free: 800.833.3746
customerservice@esiergo.com
Please e-mail orders to
orders@esiergo.com.

ESI's customer obsessive, award-winning team is on-call to assist with any work gear needs. We are ready to answer questions or recommend products that help customers achieve their best at work.

ESI honors a no restocking fee for our customers, if the return is approved in advance.

02

48 hours

ESI can fulfill orders in as little as 48 hours based on product on-hand availability. We do this by maintaining high inventory levels of the most popular products so our customer can meet ambitious deadlines and schedules. ESI's exceptional fulfillment service ensures you get the products you want, when you want them. Unless otherwise specified, most of ESI's products ship within two business days after the order is placed and acknowledged.

03

Specifying libraries

ESI's products are available in the following furniture specification software programs:

**CET Designer | Configura
2020 CAP
Project Matrix
ICE Edge
KISP
CORE
HEDBERG**

ESI also utilizes My Resource Library (MRL), a virtual library for all our digital cutsheets and catalog.

our customers

04

Lead time

The **LT** product marker indicates that the lead time may vary depending on quantities ordered and their availability. Please contact our Customer Service Department for on-hand availability when placing orders for products marked with LT. Purchase Orders that include LT designated products will be shipped based on the lead time of those products. Split shipments are available for orders that include both LT and non-LT products.

05

Reserved inventory

ESI's team is focused on helping our customers execute large projects on time. A Reserved Inventory Program is offered for projects totaling at least \$15,000 net. Find out how this program can help make your projects a success by contacting our Customer Service Department.

06

15 year warranty

ESI's work gear is backed by an industry-leading 15 year product warranty – giving you confidence to take on your work, your way. Ask us about our labor warranty reimbursement program. View the full warranty policy at **esiergo.com** or contact our Customer Service Department for more information.

07

General info

All prices in the catalog are effective May 1, 2022, and are list price in U.S. dollars. Visit ESI's website **esiergo.com** for additional specs, dimensional drawings, alternative images and more resources for all of ESI's products.

Form meets

function meets sophistication.

Stylish simplicity are the watchwords for our ever-expanding designer product line. We've partnered with renowned product designers to bring contemporary aesthetics and modern design to office environments, helping businesses turn heads as they turn profits.

That's because our line of products—table bases, portable tables, monitor arms and lights—are rooted in ergonomics to boost productivity—without sacrificing style. Clean lines blend seamlessly with existing office work gear, accentuating interior layouts while providing distinctive and beautiful focal points. It makes for a harmonious look and integration—contract furniture dealers, interior designers and architects can specify our products into plans from the start to ensure end users get an environment that can boost self-esteem as well as workflow. Or, they can use our designer line to build on what's already there. Regardless, the result fits perfectly: a marriage of form, function and sophistication.

Product spotlight

1. Kata™ EX

These designer series monitor arms have sophisticated flexibility for easy expansion of monitor arm configurations.

See pages 24–45 for more details
KataEX2-DC-FMS is shown

2. Kata™

These designer series single and dual monitor arms harmoniously blend form and function.

See pages 46–49 for more details
Kata-DC is shown

3. Evolve

Evolve monitor arms easily adapt to the fluidly changing needs of today's workplace.

See pages 50–74 for more details
Evolve2-MS is shown

4. Edge®

Single and dual monitor arms enhance performance and maximize space.

See pages 75–87 for more details
Edge is shown

5. Sena

Sena monitor arms boast a patent-pending double track slider system that allows 11" of adjustability on just an 8" slider bar.

See pages 88–104 for more details
SenaEX2-MS is shown

6. Connect and lock tables

Victory™LX 2-leg, 3-leg, and Triumph™LX table bases feature the new connect and lock frame making installation easy and fast.

See pages 122-133 for more details
VictoryLX 2-leg is shown

7. FlexCharge Power Hub

FlexCharge Power Hubs combine the monitor arm and desktop power into one space-saving unit.

See pages 203-206 for more details
ES series is shown

8. Motific Height Adjustable

A portable tech table that integrates refined design with function. Customizable design with pneumatic height adjustment and color options for any workspace.

See pages 240-242 for more details
Motific Height Adjustable with an amorphic top is shown

9. FlexCharge™

FlexCharge series brings power close at hand for any collaborative area or individual workspace.

See pages 207-210 for more details
FlexCharge4C is shown

Make your space a better place. With us.

We are the go-to for the get-going—ESI has long been the solution for growing businesses, companies on the move and expanding workspaces. We were once known for ergonomic solutions, but now we're so much more, offering a complete 360 solution for work gear.

We offer everything from monitor arms, height adjustable tables and desktop sit-to-stand solutions, to privacy/protective screens, power sources, and more. All designed to maximize workspace expandability and flexibility. All designed to work with existing furniture, with multiple finishes to match and accentuate any environment. And all designed to position you to be your best, increase productivity and truly seize the day. Regardless of whether you're working in a corporate, commercial, government, education, or healthcare environment, we'll exceed your need. After all, we are ESI. We ARE work gear.

For all of us.

For our future.

What works for us also works for our planet. As a company, we're committed to providing solutions that foster sustainability and a focused attention on maintaining good environmental practices. That means selecting products that reflect this commitment. Adopting procedures that promote sustainability. Creating recycling programs. Reviewing and enhancing our operations. Because for us, it's the right thing to do.

Healthier Hospitals Initiative

The Healthier Hospitals Initiative (HHI) is a national campaign to implement a completely new approach to improving environmental health and sustainability in the health care sector. Eleven of the largest, most influential U.S. health systems, comprising over 500 hospitals with more than \$20 billion in purchasing power, worked with Health Care Without Harm (HCWH), the Center for Health Design and Practice Greenhealth to create HHI as a guide for hospitals to improve sustainability in six key areas: engaged leadership, healthier foods, leaner energy, less waste, safer chemicals, and smarter purchasing. ESI offers several products that meet these criteria.

Source: <https://noharm-uscanada.org/content/us-canada/list-furniture-and-materials-meet-healthy-interiors-criteria>.

Spare parts recycling

ESI's Evolve, Edge, Sena, SenaEX and Eppa series of monitor arms are shipped with both a desk clamp and grommet mount included—making them simple to order and install. After the installation is complete, the unused desk clamp or grommet mount can be sent back to ESI at no cost to you. ESI will then recycle the parts as appropriate. Our Spare Parts Recycling Program prevents leftover parts from taking up space in your facility or in a landfill. Contact our Customer Service Department to participate.

LEVEL certification

LEVEL was created to deliver the most open and transparent means of evaluating and communicating the environmental and social impacts of furniture products in the built environment. To put it simply, LEVEL is to commercial furniture as LEED is to buildings. Also like LEED, LEVEL is comprehensive. It addresses criteria across corporate, facility and product impacts in a way that few other certifications do. If you see a LEVEL certified product, you can be assured that every part of the process from manufacturing to delivery has been tested to ensure that you are getting quality products made safely and ethically, with a minimal environmental footprint.

Source: <http://www.levelcertified.org/learn-about-level/>
See page 15 for a complete list of ESI's LEVEL certified products.

Vertical Market solutions

For over a decade, ESI has been providing federal agencies, state and local government, higher education, healthcare and non-profit organizations with the tools to create high performance work environments. As a leader in ergonomic work gear, our products help you to enhance productivity and wellness in every area of your facility.

Known for our award-winning customer service and high quality products, we make it easy for agencies to get what they need to improve ergonomics and support technology through all areas of the workspace. Partnering with resellers across the U.S. and internationally, ESI can meet any socio-economic goal your agency needs. ESI stands ready to help facilitate contracting objectives for your projects quickly and efficiently.

Cooperative purchasing agreements*:

Contract Number: 07-26

NCPA (National Cooperative Purchasing Alliance) is a leading national government purchasing cooperative working to reduce the cost of goods and services by leveraging the purchasing power of public agencies in all 50 states. NCPA utilizes state of the art procurement resources and solutions that result in cooperative purchasing contracts. This ensures that NCPA members are receiving products and services of the highest quality at the best prices. National Cooperative Purchasing Alliance is dedicated to providing its members with competitive pricing and aggressive discounts on a broad range of 95 hardware, software, peripherals, and service offerings.

Contract Number: R180401

OMNIA Partners, Public Sector is the nation's largest and most experienced cooperative purchasing organization dedicated to public sector procurement.

Contract Number: 200301

The partnership between ESI and TIPS provides a contract vehicle for education, state and local agencies, and non-profits to purchase ESI's complete product offering equally, regardless of size.

**Terms and conditions vary by contract. Please visit esiergo.com for the most*

Group purchasing organizations

Contract Number: RFSO #20-15

Kinetic GPO is a cooperative purchasing organization established for Broader Public Sector, non-profits, and MASH entities across Canada, with the specific purpose of reducing procurement cost by leveraging the purchasing power of group buying and saving our members time by simplifying steps to procure. Kinetic GPO conducts procurement in a fair, open, and transparent manner compliant with the International and Regional Trade Agreements, as well as the Ontario Broader Public Sector ("BPS") Procurement Directive. Membership is free, with no volume commitments.

Contracted Supplier

Premier Contract - Contract # PP-FA-879

ESI has been awarded a group purchasing agreement with Premier effective July 1, 2021. Premier is a leading healthcare improvement company, uniting an alliance of approximately 4,100 U.S. hospitals and 200,000 other providers to transform healthcare. With integrated data and analytics, collaboratives, supply chain solutions and advisory and other services, Premier enables better care and outcomes at a lower cost.

Contract Number: 667-22

The BuyBoard National Purchasing Cooperative is a cooperative formed between the National School Boards Association (NSBA) and several state school boards associations to streamline the buying process for schools, municipalities, and other public entities. Developed to comply with state laws that require governmental entities to make purchases from an approved list of vendors who have gone through a competitive procurement process, BuyBoard gives members the advantage of leveraging the Cooperative's ability to obtain bulk discounts, combined with the ease of online, web-based shopping.

Monitor arms

As flexible as you are

Make the most of your desk space and make the most of your day, with flexible monitor arms that move with you, boosting productivity and providing you with clearer sight lines. You can easily adjust up to six monitors, maximizing workflow and transforming a mere desk into a true command center.

What to consider when selecting a monitor arm

Number of monitors

ESI offers solutions for as few as one to as many as six monitors. Should the needs of the user change, the Evolve, SenaEX and KataEX series can all be easily modified in the field to accommodate additional monitors and changing work environments.

Height adjustment

Monitor arms offer various types of height adjustability. The most user-friendly option is dynamic height adjustment which allows the user to adjust the monitor height quickly and easily with just the touch of a finger.

Weight of monitor(s)

ESI's standard monitor arms in the Eppa, Edge, and Evolve series support the average monitor weights between 6 to 17 pounds. For heavier monitors, the Edge-Max will support 17 to 42 pounds, the Kata and KataEX supports 4 to 20 pounds, and the Sena and SenaEX support 2-20 pounds. The weight of the monitor arms should also include any additional monitor accessories (i.e. cables or locks).

Size of monitor(s)

Most users prefer to have their monitors side-by-side as close as possible with no gaps between them. The versatility of ESI monitor arms allow multiple wide monitors to fit side-by-side. Max width is contingent on the monitor meeting the weight capacity of the arms. Configurations that include a slider will provide additional horizontal adjustability, allowing monitors of varying sizes to fit together seamlessly.

Size and shape of the worksurface

Shallow worksurface depths of 24 inches or less, are best suited for monitor arm configurations with fewer limbs. For applications that require extended reach, ESI recommends an Evolve, SenaEX or KataEX configuration with multiple limbs. When positioning two or more monitors side-by-side in a 90° corner, the maximum monitor size will be reduced. Please contact our Customer Service Department to discuss your specific applications and requirements.

If you need further assistance in specifying the correct monitor arms or would like to take advantage of our demo program, please contact our Customer Service Department.

Monitor arm movement

Within the ESI monitor arm collection, there are many common movements.

Extension/retraction

Rotation

Landscape

Portrait

Tilt

VESA mounts tilt forward and backward, providing a flat writing surface for touch screen monitors.

Height adjustment

Fixed arms:

The arms can be mounted at any height along the pole.

Dynamic motion arms:

Motion arms can move up and down with finger touch adjustment.

Slider

Sliders move your monitor left and right while retaining monitor tilt and VESA mount $\pm 90^\circ$ monitor rotation.

Monitor arms

Kata™ series

Kata™ EX1

KATAEX1-DC-ST

KATAEX1-DC-F

Proprietary design

Kata has been uniquely designed for ESI.

Connection sleeve

The unique design of the connection sleeve accommodates up to three monitor arms depending on the configuration. Allows arms to be mounted at 90°, 120° or 180°.

Tension adjustment indicator

A clear gauge on the back of the motion arm allows users to see tension levels while adjusting the arm for various weight levels.

KataEX motion arms

KataEX configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

KataEX fixed arms

KataEX configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

Flexible growth

Because the KataEX is pole mounted, arms can be added as needed to support additional monitors.

Quality testing

Meets or exceeds ANSI/BIFMA x5.5 guidelines.

Kata™ EX1

KATAEX1-DC-M

Proprietary design

Kata has been uniquely designed for ESI.

Connection sleeve

The unique design of the connection sleeve accommodates up to three monitor arms depending on the configuration. Allows arms to be mounted at 90°, 120° or 180°.

Tension adjustment indicator

A clear gauge on the back of the motion arm allows users to see tension levels while adjusting the arm for various weight levels.

KataEX motion arms

KataEX configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

Slider mount

Position virtually any monitor side-by-side with a slider. The slider (S) offers nine and a half inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush.

Flexible growth

Because the KataEX is pole mounted, arms can be added as needed to support additional displays.

Quality testing

Meets or exceeds ANSI/BIFMA x5.5 guidelines.

MODEL # KATAEXKIT-1MS2MS-__ _

Available in silver, black and white

Kata™EX2

KATAEX2-DC-F

KATAEX2-DC-FF

Proprietary design

Kata has been uniquely designed for ESI.

Connection sleeve

The unique design of the connection sleeve accommodates up to three monitor arms depending on the configuration. Allows arms to be mounted at 90°, 120° or 180°.

Tension adjustment indicator

A clear gauge on the back of the motion arm allows users to see tension levels while adjusting the arm for various weight levels.

KataEX motion arms

KataEX configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

KataEX fixed arms

KataEX configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

Slider mount

Position virtually any monitor side-by-side with a slider. The slider (S) offers nine and a half inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush.

Flexible growth

Because the KataEX is pole mounted, arms can be added as needed to support additional monitors.

Quality testing

Meets or exceeds ANSI/BIFMA x5.5 guidelines.

KataEX2-F

Dual fixed monitor arm

\$674

MODEL # KATAEX2-DC-F-__ _

MODEL # KATAEX2-GM-F-__ _

Features

Manual height adjustment

Recommended for worksurfaces
30.0" deep or less

14.52" arm extension

5.12" arm retraction

+90°/-45° monitor tilt

±90° VESA rotation

Up to 20.0lb. weight capacity *(per arm)*

15.99" pole height *(includes base)*

VESA 75mm/100mm quick release

180° lock-out feature

Specify a grommet mount or a desk
clamp mount

29.04" max. monitor width

Bezel measured left to right.

Max. width is contingent on weight capacity.

Warranty: 15 yr.

KataEX2-FF

Dual fixed + fixed monitor arm

\$823

MODEL # KATAEX2-DC-FF-__ _

MODEL # KATAEX2-GM-FF-__ _

Features

Manual height adjustment

Recommended for worksurfaces
36.0" deep or less

24.77" arm extension

5.12" arm retraction

+90°/-45° monitor tilt

±90° VESA rotation

Up to 20.0lb. weight capacity *(per arm)*

15.99" pole height *(includes base)*

VESA 75mm/100mm quick release

180° lock-out feature

Specify a grommet mount or a desk
clamp mount

49.54" max. monitor width

Bezel measured left to right.

Max. width is contingent on weight capacity.

Warranty: 15 yr.

Kata™

KATA-DC

Kata

Single monitor arm

\$486

MODEL # KATA-DC- _ _ _

MODEL # KATA-GM- _ _ _

Proprietary design

Kata has been uniquely designed for ESI.

Designer styling

Refinement is achieved with an ideal balance of flow and support. Distinctive in appearance, the scaled down design emphasizes the key pivot points, making adjustments intuitive and effortless.

Tension adjustment indicator

A clear gauge on the back of the arm allows users to see tension levels while adjusting the arm for various weight levels.

Conversion

Reuse most of the parts in your single Kata arm when you convert up to the dual Kata2 with our simple kit. Conversion kit sold separately.

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces
36.0" deep or less

13.72" height adjustment range
7.79"–21.51" (low/high)

22.40" arm extension

3.46" arm retraction

+90°–25° monitor tilt

±90° VESA rotation

4.0lb.–20.0lb. weight capacity

VESA 75mm/100mm quick release

180° lock-out feature

Specify a grommet mount or a desk
clamp mount

Tension adjustment indicator for precision
installation

Partially assembled for quick installation

Integrated cord management

Integrated tool holder

Warranty: 15 yr.

Available mounting options

DC - Desk clamp

GM - Grommet mount

Available arm finishes

☐ Silver -SLV

☒ Black -BLK

☐ White -WHT

Kata2 conversion kit

Converts an existing Kata single
monitor arm to a Kata2 dual arm.

Kit includes:

One static arm

One motion arm

One dual base (*specify a grommet
mount or a desk clamp mount*)

Monitor arms

Evolve series

*Product shown: Evolve2-FM,
Designer White worksurface*

Evolve1

EVOLVE-STUBBY

EVOLVE1-F

Evolve motion arms

Evolve configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

Evolve fixed arms

Evolve configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

Flexible growth

Because the Evolve is pole mounted, arms can be added as needed to support additional monitors.

Quality testing

Meets or exceeds BIFMA x5.5 and CSA CAN/CSB44.227 guidelines.

Evolve Stubby

Single short fixed monitor arm

4.4lb.–15.4lb. weight capacity *(per arm)*

19.70" pole height *(includes base)*

VESA 75mm/100mm quick release

180° lock-out feature

Desk clamp and grommet mount included

57.69" max. monitor width

Bezel measured left to right.

Max. width is contingent on weight capacity.

Warranty: 15 yr

Evolve2-M

Dual motion monitor arm

\$839

MODEL # EVOLVE2-M-__ _

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces

30.0" deep or less

18.4" arm extension

4.1" arm retraction

+90°/-25° monitor tilt

±90° VESA rotation

6.5lb.–17.6lb. weight capacity *(per arm)*

18.0" pole height *(includes base)*

VESA 75mm/100mm quick release

180° lock-out feature

Desk clamp and grommet mount included

28.0" max. monitor width

Bezel measured left to right.

Max. width is contingent on weight capacity.

Warranty: 15 yr.

Evolve2

EVOLVE2-MS

Evolve2-MS

Dual motion + slider monitor arm

\$995

MODEL # EVOLVE2-MS-__ __

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces
30.0" deep or less

15.41" arm extension

5.74" arm retraction

+80°/-60° monitor tilt

±90° VESA rotation

4.4 lb.–15.4 lb. weight capacity *(per arm)*

19.70" pole height *(includes base)*

VESA 75mm/100mm quick release

180° lock-out feature

Desk clamp and grommet mount included

37.14" max. monitor width

Bezel measured left to right.

Max. width is contingent on weight capacity.

Warranty: 15 yr.

Monitor arm key

Customize the Evolve

As workstation needs change, so can the Evolve configurations. Additional components are sold separately:

Motion arms

Fixed arms

Stem arms

29.70" pole *(height includes base)*

Slider mounts

Contact our Customer Service Department for compatibility and pricing for custom configurations.

Evolve3

EVOLVE3-FF

Evolve motion arms

Evolve configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

Evolve fixed arms

Evolve configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

Slider mount

Position virtually any monitor side-by-side with a slider. The slider (S) offers eight and a half inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush.

Flexible growth

Because the Evolve is pole mounted, arms can be added as needed to support additional monitors.

Quality testing

Meets or exceeds BIFMA x5.5 and CSA CAN/CGSB44.227 guidelines.

Evolve3-FF

Triple fixed + fixed monitor arm

\$939

MODEL # EVOLVE3-FF-__ _

Features

Manual height adjustment

Recommended for worksurfaces
30.0" deep or less

23.10" outside arm extension

6.48" center arm extension

3.40" arm retraction

+90°/-25° monitor tilt

±90° VESA rotation

Up to 20.0lb. weight capacity (*per arm*)

19.70" pole height (*includes base*)

VESA 75mm/100mm quick release

180° lock-out feature

Desk clamp and grommet mount included

24.11" max. monitor width

Bezel measured left to right.

Max. width is contingent on weight capacity.

Warranty: 15 yr.

Evolve2Combo

EVOLVE2COMBO-SLV

Evolve2Combo

Evolve2-FMS + LTH-Edge

\$1,369

MODEL # EVOLVE2COMBO-SLV

Grab and go

The Evolve2Combo allows your laptop to function as a second display while maintaining convenient access to dismount and relocate.

Expansion

The LTH-Edge depth expands from 12 inches to over 18 inches to accommodate a single laptop or a laptop with a docking station.

Cable management

The Evolve2Combo provides cable management with both the monitor arms and the LTH-Edge. The arms have clips and channels to hold cables securely, while the LTH-Edge has an opening in the back to feed cables through.

Slider mount

Position virtually any monitor side-by-side with a slider. The slider (S) offers eight and a half inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush.

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces
36.0" deep or less

Monitor arms

Edge[®] series

*Product shown: Edge2-MS,
Designer White worksurface*

Edge[®]

Edge

Single monitor arm

\$455

MODEL # EDGE-__ _

180° lock-out

Prevents the arm from getting pushed back too far and bumping into a rear cubicle, wall, or glass.

VESA quick release

Quickly install and swap monitors with the quick release VESA plate.

Conversion

Reuse most of the parts in your single Edge arm when you convert up to the dual Edge2 with our simple kit. Conversion kit sold separately.

Quality testing

Meets or exceeds BIFMA x5.5 and CSA CAN/CGSB44.227 guidelines.

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces
36.0" deep or less

12.09" height adjustment range
7.68"–19.78" (low/high)

21.55" arm extension

3.22" arm retraction

±90° monitor tilt

±90° VESA rotation

6.5 lb.–17.6 lb. weight capacity

VESA 75mm/100mm quick release

180° lock-out feature

Desk clamp and grommet mount included

Warranty: 15 yr.

Available arm finishes

☐ Silver -SLV

☒ Black -BLK

☐ White -WHT

Edge2 conversion kit

Converts an existing Edge single monitor arm to an Edge2 dual arm

Kit includes:

One fixed arm

One motion arm

One dual base

One clamp mount

One grommet mount

\$463

MODEL # EDGE2KIT-__ _

Available in silver, black and white

Edge[®]2

EDGE2

Edge2

Dual monitor arm

\$856

MODEL # EDGE2-__ __

180° lock-out

Prevents the arm from getting pushed back too far and bumping into a rear cubicle, wall, or glass.

VESA quick release

Quickly install and swap monitors with the quick release VESA plate.

Dual monitor arms

Can support two monitors up to 32 inches wide.

Quality testing

Meets or exceeds BIFMA x5.5 and CSA CAN/CGSB44.227 guidelines.

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces
36.0" deep or less

12.09" height adjustment range
7.68"–19.00" (low/high)

21.55" arm extension

3.22" arm retraction

Edge[®]2-MS

EDGE2-MS

Edge2-MS

Dual monitor arm

\$856

MODEL # EDGE2-MS-__ _

180° lock-out

Prevents the arm from getting pushed back too far and bumping into a rear cubicle, wall or glass.

Slider mount

Position virtually any monitor side-by-side with a slider. The slider (S) offers eight and a half inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush.

VESA quick release

Quickly install and swap monitors with the quick release VESA plate.

Quality testing

Meets or exceeds BIFMA x5.5 and CSA CAN/CGSB44.227 guidelines.

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces
30.0" deep or less

10.58" height adjustment range
3.76"–14.34" (low/high)

15.41" arm extension

5.74" arm retraction

+80°/-60° monitor tilt

±90° VESA rotation

4.4 lb.–15.4 lb. weight capacity (*per arm*)

VESA 75mm/100mm quick release

180° lock-out feature

Desk clamp and grommet mount included

28.00" max. monitor width

Bezel measured left to right.

Max. width is contingent on weight capacity.

Warranty: 15 yr.

Available arm finishes

Edge2Combo

EDGE2-COMBO

Edge2Combo

Edge2 + LTH-Edge

\$1,092

MODEL # EDGE2-COMBO-SLV

Grab and go

The Edge2Combo allows your laptop to function as a second display while maintaining convenient access to dismount and relocate.

Expansion

The LTH-Edge depth expands from 12 inches to over 18 inches to accommodate a single laptop or a laptop with a docking station.

Cable management

The Edge2Combo provides cable management with both the monitor arms and the LTH-Edge. The arms have clips and channels to hold cables securely, while the LTH-Edge has an opening in the back to feed cables through.

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces
36.0" deep or less

12.09" height adjustment range
7.68"–19.00" (low/high)

21.55" arm extension

Monitor arms

Sena™ series

Product shown: SenaEX3-FMS,
Victory-LX 3-Leg, FlexCharge 4

Sena™EX1

SENAEX1-F

SENAEX1-FF

Proprietary design
Sena has been uniquely designed for ESI.

SenaEX motion arms
SenaEX configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

SenaEX fixed arms
SenaEX configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

Flexible growth
Because the SenaEX is pole mounted, arms can be added as needed to support additional monitors.

Quality testing
Meets or exceeds ANSI/BIFMA x5.5 guidelines.

SenaEX1-F
Single fixed monitor arm

\$296
MODEL # SENAEX1-F-__ _

Features
Manual height adjustment
Recommended for worksurfaces 30" deep or less
12.93" arm extension
2.89" arm retraction
+75° / -35° monitor tilt
±90° VESA rotation
2.2lb. - 19.8lb weight capacity *(per arm)*
16" pole height *(includes base)*
VESA 75mm/100mm quick release
180° lock-out feature
360° rotation at three points
Desk clamp and grommet mount included
Meets or exceeds BIFMA x5.5 and CSA CAN/CGSB44.227 guidelines
Warranty: 15 yr.

SenaEX1-FF
Single fixed + fixed monitor arm

\$376
MODEL # SENAEX1-FF-__ _

Features
Manual height adjustment
Recommended for worksurfaces 36" deep or less
22.97" arm extension
2.89" arm retraction
+75° / -35° monitor tilt
±90° VESA rotation
2.2lb. - 19.8lb weight capacity *(per arm)*
16" pole height *(includes base)*
VESA 75mm/100mm quick release
180° lock-out feature
360° rotation at three points

SenaEX for every need

As workstation needs change, so can the SenaEX configurations. Additional components sold separately.

Call our Customer Service Department for pricing for custom configurations.

Sena™EX2

SENAEX2-FS

SENAEX2-M

Proprietary design

Sena has been uniquely designed for ESI.

SenaEX motion arms

SenaEX configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

SenaEX fixed arms

SenaEX configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

Flexible growth

Because the SenaEX is pole mounted, arms can be added as needed to support additional monitors.

Quality testing

Meets or exceeds ANSI/BIFMA x5.5 guidelines.

SenaEX2-FS

Dual fixed + slider monitor arm

Sena™

Sena

Single monitor arm

\$339

MODEL # SENA- _ _ _

Proprietary design

Sena has been uniquely designed for ESI.

Flexible and Adaptable

By retracting and extending, the Sena series offers a comfortable viewing distance no matter the size of the workstation. If desired, a 180° lockout prevents the arm from retracting past the back edge of the worksurface.

Position with Precision

The patent-pending double track slider boasts the most adjustment of any ESI monitor arm. With 11" of total adjustability, the monitor can be fine tuned to the best ergonomic placement.

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces
36" deep or less

12.68" height adjustment range
7.01"–19.69" (low-high)

24.37" arm extension

2.89" arm retraction

+75° / -35° monitor tilt

+/-90° VESA rotation

2.2lb. - 19.8lb weight capacity (*per arm*)

VESA 75mm/100mm quick release

180° lock-out feature

360° / 180° arm rotation with 180° lock-out

Desk clamp and grommet mount included

Meets or exceeds BIFMA x5.5 and CSA CAN/
CGSB44.227 guidelines

Warranty: 15 yr.

Eppa™

Eppa

Single monitor arm

\$274

MODEL # EPPA-SLV

Height adjustment

Beneath the Eppa's minimal design is a reliable and smooth finger touch gas spring adjustment control that supports a 10.5 inch dynamic height adjustment range.

Retraction

Retracting to a four inch depth and extending 20 inches, Eppa offers a comfortable viewing distance no matter the size of the workstation.

Conversion

Reuse most of the parts in your single Eppa arm when you convert up to the dual Eppa2 with our simple kit. Conversion kit sold separately.

Quality testing

Meets or exceeds BIFMA x5.5 and CSA CAN/CGSB44.227 guidelines.

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces
36.0" deep or less

11.10" height adjustment range
5.23"–16.33" (low/high)

21.14" arm extension

Total weight capacity: 35.2 lbs.

Desk clamp and grommet mount included

30.00" max. monitor width

Bezel measured left to right.

Max. width is contingent on weight capacity.

Capable to swivel between portrait and landscape orientation

Meets or exceeds BIFMA x5.5 and CSA CAN/CGSB44.227 guidelines

Aluminum and steel design

Partially assembled for quick installation

Integrated cord management

Grommet hole integrated in base to easily route cables

Clip-on tool holder attaches to base bracket keeping hex keys accessible

Warranty: 10 yr.

Available arm finishes

☐ Silver -SLV

LTH-Edge

LTH-Edge

Adjustable laptop tray

\$236

MODEL # LTH-EDGE-SLV

Grab and go

Allows your laptop to function as a second display while maintaining convenient access to dismount and relocate.

Expansion

The LTH-Edge depth expands from 12 inches to over 18 inches to accommodate a single laptop or a laptop with a docking station.

Cable management

The LTH-Edge has an opening in the back to feed cables through.

Features

10.3" laptop tray width

12.0"–18.3" adjustable depth

Monitor arm sold separately

Compatible with the following monitor arms:
KataEX, Kata, Evolve, Sena, SenaEX, Edge, Eppa

Weight capacity *(based on supporting arm)*

KataEX: up to 14.6 lb.

Kata: up to 14.6 lb.

Evolve: 1.2–12.2 lb.

Edge: 1.2–12.2 lb.

Eppa: up to 12.2 lb.

Warranty: 15 yr.

Available arm finishes

Monitor arm accessories

Kata slider mount

VESA slider

\$195

MODEL # KATA-SLD-SLV
MODEL # KATA-SLD-BLK
MODEL # KATA-SLD-WHT

9.5" adjustment from left to right
Retrofits with the Kata and KataEX series
Not compatible with the Eppa, Edge, Evolve,
or Edge-Max series
Adds an additional 1.2 lb.
Patented design for exclusive ESI use
Warranty: 15 yr.

Edge/Evolve slider mount

VESA slider

\$184

MODEL # EDV-SLD-SLV
MODEL # EDV-SLD-BLK
MODEL # EDV-SLD-WHT

8.5" adjustment from left to right
Retrofits with the Edge and Evolve series
Not compatible with the Eppa, Edge-Max,
Kata, or KataEX series
Adds an additional 2.2 lb.
Patented design for exclusive ESI use
Warranty: 15 yr.

Sena slider mount

VESA slider

\$96

MODEL # SENA-SLD-SLV
MODEL # SENA-SLD-BLK
MODEL # SENA-SLD-WHT

11" adjustment from left to right
Works with all SENA and SENAEX
Not compatible with any other model
Adds an additional 1.2 lbs.
Patent Pending Design - Dual Track Slider
Warranty: 15 yr.

Weighted VESA mount

Universal VESA bracket

\$62

MODEL # VESA-HVY-SLV

For use when monitor weight does not meet
minimum weight requirement for monitor arm
Adds an additional 2.4 lb.
Warranty: 15 yr.

VESA 100x200 conversion mount

VESA conversion plates

\$39

MODEL # VESA 100X200-SLV

Converts a 75mm or 100mm VESA mount to
attach to a 100mm x 200mm VESA display
Warranty: 15 yr.

Thin Client CPU

Monitor arm CPU holder

\$314

MODEL # CPU-TC

Mounts between the monitor arm and monitor
Adjustable width: 1.4"–2.3"
Mounts to VESA 75mm/100mm
Adjustment knobs are vibration resistant
Adds an additional 3.0 lb.
Warranty: 15 yr.

Monitor arm sold separately

Height adjustable tables

Change your perspective to win the day

Customize the fit of your workspace with height adjustable tables. Sit. Stand. Or sit and stand throughout your day, for the ultimate in finely tuned comfort. Our tables can be used for any environment, offering you flexibility in your office layouts and workflow; options include electric, pneumatic, and crank bases, with two or three-leg configurations.

All-Flex® 2-leg

All-Flex 2-leg

Electric height adjustable table base

\$1,998

MODEL # FLEX2-__ _

Two motors

Includes two motors allowing smooth height adjustment while supporting a broad range of worksurface weights.

Versatility and flexibility

Provides adjustable cross channel, top support and feet making it one of the most adjustable table bases on the market.

Model part number

All-Flex uses only one model number for all 2-leg sizes and configurations.

Quality testing

Meets or exceeds BIFMA x5.5 guidelines.

Features

Electric height adjustment

265 lb. base lifting capacity

1.5" /sec. adjustment speed

26.0" height adjustment range

23.3"–49.3" (low/high)
(excluding worksurface)

Three stage adjustable legs

C-Leg

Foot is adjustable to 22.0" or 28.0"
(patented design)

Leg columns fold out for easy assembly

Adjustable width frame accommodates
worksurfaces 36.0"–72.0"

Digital keypad with four memory settings

Soft start and stop

Anti-collision

Table base is UL962 listed

Locking casters available

Warranty: 15 yr. *(structural)*/7 yr. *(mechanical)*

Available base finishes

Triumph™ LX

TriumphLX

Electric height adjustable table base

\$1,146

MODEL # 2T-LX-C___-___-___

Quick assembly

Frame and column connect and lock for quick and efficient assembly requiring minimal tools.

Gyro sensor anti-collision

The sensor provides superior safety and customizable sensitivity settings.

Two motors

Includes two motors allowing smooth height adjustment while supporting a broad range of worksurface weights.

Cross channels

With adjustable cross channels, the table base can adapt over time with the changing technology and work gear needs of the user.

Quality materials

Steel frame and foot construction offers outstanding stability.

Quality testing

Meets or exceeds BIFMA x5.5 guidelines.

Features

Electric height adjustment

250 lb. base lifting capacity

1.4"/sec. adjustment speed

17.0" height adjustment range

26.5"–43.5" (low/high)
(excluding worksurface)

Two stage adjustable legs

C-Leg

Frame and column connect and lock for quick and easy assembly

Adjustable width frame accommodates worksurfaces 36.0"–72.0"

Digital keypad with three memory settings

Soft start and stop

Gyro sensor anti-collision

Table base is UL962 listed

Locking casters available

Warranty: 15 yr. *(structural)*/7 yr. *(mechanical)*

Available base finishes

☐ Silver -SLV

☒ Black -BLK

☐ White -WHT

Caster kit

Set of four casters for table base

Increases height by 2.0"

Locking casters for security

Weight Adjustable Espree™

Weight Adjustable Espree

Pneumatic height adjustable table base

\$2,558

MODEL # 2ESP-WA-C48-__ _

\$2,659

MODEL # 2ESP-WA-C60-__ _

Environmentally friendly

With no power needed, it is both environmentally friendly and easy to retrofit any space with power limitations.

Adjustable feet

Feet adjust to 22 or 28 inches long with a removable plate which accommodates worksurfaces 24 through 36 inches deep.

Weight resistance gauge

The user has the ability to change the weight resistance in the base for easy height adjustment.

Quality testing

Meets or exceeds BIFMA x5.5 guidelines.

Features

Pneumatic height adjustment

44 lb.–143 lb. base lifting capacity
(2ESP-WA-C48)

52 lb.–163 lb. base lifting capacity
(2ESP-WA-C60)

19.5" height adjustment range
26.3"–45.8" (low/high)
(excluding worksurface)

Three stage adjustable legs

C-Leg

Foot is adjustable to 22.0" or 28.0"
(patented design)

Fixed width frame

Weight adjustable with adjustment gauge

Includes adjustment tools

Locking casters available

Warranty: 15 yr. (structural)/7 yr. (mechanical)

Available base finishes

☐ Silver -SLV

☒ Black -BLK

☐ White -WHT

Caster kit

Set of four casters for table base

Increases height by 2.0"

Worksurfaces overview

How to order:

Worksurfaces have multiple model numbers based on worksurface dimensions.

ESI offers Thermally Fused Laminate (TFL) in 6 colors for both quick ship and standard worksurfaces. Additionally we offer High Pressure Laminate (HPL) in 14 standard colors and 6 premium colors. See page 158-159 for more details on laminates.

Use the worksurface two letter color code to complete your model number.

Worksurface part number breakdown:

2R4824-TFL-DW

a b c d e

a: worksurface shape

b: worksurface width

c: worksurface depth

d: laminate material

e: laminate color

This product number represents:

Rectangle shape

48.0" wide and 24.0" deep

TFL standard

Designer White laminate

General information:

Worksurfaces

Worksurfaces can be sold separately or in combination with a table base.

Warranty: 5 yr.

Sizing

ESI worksurfaces are made to exact dimensions. If nominal sizing is needed, please specify when ordering. TFL worksurfaces are 1.0" thick. HPL worksurfaces are 1.125" thick.

*Lead times

For standard colors and sizes the leads times are as follows. Lead time may vary depending on quantities ordered and their availability. For custom sizes and laminates please see below:

TFL quick ship: 48 hours

TFL standard: Within 3 weeks

HPL standard: Within 3 weeks

HPL premium: Within 3 weeks

**Due to current material challenges, lead times may be extended. Contact our Customer Service Department for current lead times.*

Custom options

For more information on alternative worksurface shapes, thicknesses, edge detail, laminate options, and pre-drilling, contact our Customer Service Department. Extended lead times and upcharges will apply on all custom requests. Orders with custom laminates or custom edge detailing will both require a standard solid edge banding.

Worksurface pre-drilled holes

For your convenience, all worksurfaces will be pre-drilled to accommodate the Victory-LX 2-Leg and Triumph-LX. All quick ship worksurfaces will be pre-drilled to accommodate the Victory-LX 2-leg and the Triumph-LX table bases. Pre-drilling for any other height adjustable table base series will require extended lead time and an additional cost.

**ESI worksurfaces are specifically designed to work with ESI height adjustable table bases. If a different application is going to be used, please contact customer service for more details.*

Edge detail

Worksurfaces ship with standard square edge profile and coordinating 3mm edge band with a 3mm top radius. Alternative edge detail options are available at additional cost.

Square edge

Laminate materials

Worksurfaces are available in select Wilsonart® laminate options. ESI worksurfaces are either Thermally Fused Laminates, High Pressure Laminates or Premium High Pressure Laminates. Please indicate laminate color choice by adding the 2-letter code at the end of the worksurface model number.

Thermally fused laminates (TFL) - quick ship and standard

Worksurfaces consist of a single printed decor paper fused directly by heat and pressure to the core material of MDF or particle board.

TFL benefits: cost efficient, consistent and uniform, water resistant, scratch resistant.

High pressure laminates (HPL) - standard and premium

Worksurfaces consist of a melamine treated printed decor paper fused to multiple sheets of kraft paper. Heat and pressure bond all the sheets together creating a flexible and durable piece of plastic type material which is then adhered to MDF or particle board.

Standard HPL benefits: durable, versatile, stylish, heat resistant, water resistant, scratch resistant, impact resistant, hygienic qualities.

Premium HPL benefits: Same as standard HPL, plus enhanced performance to durability and scratch resistance.

Woodgrain pattern direction:

Please see the diagrams for the direction of the woodgrain pattern on each worksurface shape.

All register marks are property of their respective owners.

TFL quick ship worksurfaces

TFL quick ship worksurfaces ship within 48 hours and are available in six colors.
Please see page 158-159 for the laminate options that are available.

Tech Dock

Tech Dock

Sliding tech tray

\$174

MODEL # TDOCK-SLV

Stow and go

Gain back up to 25% of your desktop space with this laptop storage solution that easily accommodates a single laptop or a laptop/docking station combo.

Glide and swivel

Can swivel 360° under the worksurface for increased accessibility, with or without the glide track attached.

Features

15.0" laptop tray width

12.0"–16.0" adjustable depth

17" glide track

(can be fix-mounted without the glide track if space under worksurface is limited)

4.2" or 4.9" adjustable height below worksurfaces

360° swivel

20lb. weight capacity

Rubber coated grip

Convenient cable access

Warranty: 15 yr.

CPU holders

CPU05
Heavy duty CPU holder
\$282
MODEL # CPU05

Features
100 lb. load capacity
360° swivel
17.8" glide track
2.5"–8.3" adjustable width
13.0"–21.0" adjustable height
Warranty: 15 yr.

CPU Mini
Small profile CPU holder
\$244
MODEL # CPUMINI-SLV

Features
55 lb. load capacity
360° swivel
13.4" ball bearing glide track
16.0"–22.0" adjustable height
Fits CPUs up to 20.0" in height
Warranty: 15 yr.

CPU holders

CPU01

Simple CPU holder

\$218

MODEL # CPU01-BLK

Features

125 lb. load capacity
360° swivel
17.8" glide track
12.5" min. CPU depth
8.0" min. CPU width
24.0" min. CPU height
60.0" adjustable straps
Nylon security bands
Warranty: 15 yr.

CPU Cart

Mobile CPU cart

\$196

MODEL # CPUCART-1-BLK

Features

160 lb. load capacity
Fits CPUs ranging from 3.8"—9.0" wide
CPU sits in adjustable tray
Four swivel caster wheels (2 locking)
Easy to assemble; no tools required to make adjustments
Warranty: 15 yr.

Table accessories

Deluxe Trough Kit

Cable management undermount tray

\$48

MODEL # TROUGH-DLX-KIT-BLK

Elegant, sleek design
Mounts to most flat surfaces
18.0" troughs - set of two
Mounts using heavy duty double sided tape
and/or provided screws
Image above shows the set of two pieces
Warranty: 15 yr.

General purpose cast acrylic

Clear

Frosted

Bracket Option Details

Post Mount (pages 174-180)

Mounts with adhesive or screws

Slots in acrylic fit into post mounts

Two post mounts required for each screen

Available for screens 24" - 36" in height and
24" - 72" in width

Low Profile Mount (pages 181-183)

Mounts with adhesive

Adhere anywhere on desk

Two low profile mounts required for each screen

Only available for U Shape screens

Available for screens 24" - 30" in height and
24" - 72" in width

Off-set Clamp Mount (pages 184-186)

Provides a 0.65" offset gap between back
of worksurface and front of screen for desk
clamped accessories and cords

Mounts along the edge of the worksurface

0.44" gap between the top of the worksurface
and the bottom of the screen

Clamp positioning on worksurface and screen
can be varied if needed to accommodate
mounted worktools

Clamp fits worksurfaces up to 1.33" thick

Two clamp mounts required for
24" - 48" wide screens

Three clamp mounts required for
60" and 72" wide screens

Available for screens 24" - 30" in height and
24" - 72" in width

Desktop Clamp Mount (pages 187-189)

Positions screen flush with the edge of
the worksurface

1.73" gap between the top of the
worksurface and the bottom of the screen for
cords and wires

Clamp positioning on worksurface and screen
can be varied if needed to accommodate
mounted worktools

Clamp fits worksurfaces up to 1.33" thick

Two clamp mounts required for 24" - 48"
wide screens

Three clamp mounts required for 60" and 72"
wide screens

Available for screens 24" - 30" in height
and 24" - 72" in width

Freestanding Mount (pages 190-192)

Can be placed anywhere on surface

0.250" gap from top of surface to bottom
of screen

2 foot brackets per screen for 48" wide
and smaller

4 foot brackets per screen for 60" wide
and larger

Available for screens 24" and 30" in height and
24"-72" in width

Low Profile Style Mount

U Shape protective screen

Compatibility

With 4 different bracket options to choose from, ESI acrylic screens can easily be incorporated onto existing workstations.

Customizable

Acrylic screens provide you endless options to customize the workspace to fit your needs. Single and U Shape configurations are available in silver, black and white finishes to match ESI table bases and accessories.

Features

Quickly retrofit an existing workspace

Provides separation and peace of mind when coming back to the office

Available lengths: 36.0", 48.0", 60.0", and 72.0"

(screens will be 3.375" shorter than worksurface)

Available heights : 24.0", 30.0", 36.0"*

("post bracket only") (height are measured from the top of worksurface to top of screen. Screens will be 0.75" shorter than nominal height shown for no gap and 4.0" gap versions. Screens will be 2.0" shorter than nominal height shown for 2.0" gap version)

Available depths: 24.0" and 30.0"

Available brackets:

Low profile bracket

Corner brackets are provided for U-shape configurations

Brackets are available in black, silver and white finish, the corner bracket finish matches the main bracket finish

Available screen styles: Clear and Frosted

Screen thickness:

Clear: 0.24"

Frosted: 0.22"

Available access opening:

No gap

4.0" access slot

Each size and style of screen comes with two brackets per section

Bracket attachment methods:

Low profile bracket will include adhesive only

Minimum order requirements:

Standard screen sizes have NO minimum order qty

Custom orders will be assessed on a case-by-case basis depending on the size

UL 94 Certified

Rounded edges and corners for user safety.

Lead time 2-4 weeks, pending acrylic is available

Custom options available, contact our Customer Service Department with questions.

Made of general purpose cast acrylic

Compatible with selective ESI products. See ESI website for compatible product listing.

Warranty: 5 yr.

MODACR-3612-FST **\$243**

MODACR-4812-FST **\$284**

MODACR-6012-FST **\$347**

MODACR-7212-FST **\$401**

Features

Provides privacy under the worksurface that accompanies any office design

Available lengths: 30.0", 42.0", 54.0", and 66.0" (modesty panels should be specified 6" shorter than worksurface)

Available height: 12"

All panels include 2 hanging brackets and hardware (silver finish only)

Available panel styles: Frosted

Panel thickness: 0.22"

Minimum order requirements: - Standard panel sizes have NO minimum order qty - Custom orders will be assessed on a case-by-case basis depending on the size

Rounded edges and corners for user safety

Lead time 2-4 weeks, pending acrylic is available

Custom options available, contact our Customer Service Department with questions

Made of general-purpose cast acrylic

Clean with soap and water and a soft cloth, or non-abrasive cleaners that do not contain ammonia.

Warranty: 5 yr.

mounting bracket

Cleaning Instructions for Acrylic Screen

First time setup: Do not attempt to clean immediately after removing the protective paper because the static electricity will attract dust and particles. Wait a day for the static to dissipate before cleaning.

Step 1

Begin by removing excess dust or dirt from the surface of the acrylic with an air hose or blow dryer set to its coolest setting (never heat acrylic). Hold the blow dryer at a 45-degree angle several inches away from the acrylic and run side-to-side down the surface. Wipe any remaining dust with a soft, lint-free cotton microfiber cloth.

Step 2

Once excess grime has been blown away, spray a nonabrasive acrylic cleaner, such as Brilliantize or Novus No. 1 onto a one- or two-foot-square section of acrylic. (For an on-hand alternative, a solution of mild dish soap and water works well too.) Never use abrasive cleaners or anything containing Ammonia such as Formula 409®, Windex® or Fantastik®. Ammonia will cause your acrylic to get cloudy and you can't reverse the effects. Bleach solutions and disinfectants are not recommended and can cause damage to the acrylic.

Once the cleaner has been applied, use a soft, lint-free cotton microfiber cloth to gently wipe the surface down, again being careful to make contact only with the portion of the surface that already has cleaner on it. Continue applying the cleaner and wiping it off in small sections until you've finished the entire surface. Do not use a paper towel to clean acrylic because it can cause scratching.

Power solutions

Charge ahead and power through

Get power when and where you need it most: bring outlets to you with the FlexCharge series or wire your work place with the Railway series. Our options make these power source solutions adaptable for virtually any workspace.

*Product shown: Railway, FlexCharge4,
Edge, Centro, All-Flex 3-leg, Designer
White worksurface*

Railway™

Railway

Power and data solution

Versatile solution

Optimize floor plans with various workspace needs by adding Railway data and power rails. Available in four widths with power and data on both sides.

Visually clean

The simple, non-panel design keeps all of the electrical and data wiring separated and hidden inside the rail.

Feet

All posts come standard with a T-foot which is ideal for use in open floor plans. Alternatively, the L-foot is available to accommodate applications against a wall or partition.

Features

Four available widths: 36.0", 48.0", 60.0", and 72.0"

18.0"h x 3.3"w post

3.6"w x 12.0"d T foot (standard)

3.6"w x 7.8"d L foot (optional)

Power and data can be utilized on both sides of the rail

Cable/data channel

Up to ten rails can be connected to each other
(for anything over ten rails, contact a local electrician)

Up to eight 125V AC outlets per rail and four inputs for data

Specify base or ceiling feed

UL listed

20 amps

Four circuits, eight wire Byrne™ 8trac system

Fourth circuit is isolated and dedicated

Optional electric compliance available for municipal standards such as NY Box, California Title 24, and Chicago

Please reference the Railway Spec Guide for more details

Warranty: 15 yr. (structural)/7 yr. (electrical)

MODEL # FCH4CX-___

Quick reach

Puts power within reach for any individual desk or benching environment.

Extended reach

Six additional AC outlets on the power adapter which mounts below the worksurface for all workstation equipment that needs power but doesn't need to be seen.

Charging

Includes quick-charge USB-A and USB-C ports for powering up phones, tablets or other devices.

Quality testing

Meets CSA C22.2 No269 surge protection guidelines.

Features

Power module:

- Two AC outlets- 15A, 125V, 60Hz
- One quick-charge USB-A port- 3A, 5V
- One quick-charge USB-C port- 3A, 5V

Power strip: six AC outlets

Power module: Universal mounting bracket that allows for a desk clamp, 2.0" grommet, or under worksurface mount

Power strip: mounts below the worksurface

Meets spill-protection criteria

UL and cUL listed

8.0' power cord (*black*)

28.5" connection cord (*color matched to power module*)

Indicator light illuminates when built-in surge protection is active

Warranty: 5yr.

Solution Ultra

Keyboard combo solution

\$593

MODEL # SOLUTION ULTRA

Switch-n-click mousing

Adjust mousing area to be used in three positions: over the keyboard, next to the keyboard or in a mouse forward position.

Lift-and-lock

Make quick and easy adjustments and set a comfortable tilt.

Features

Recommended for radius corner worksurfaces

PL217 keyboard platform

18.8" keyboard platform with
9.3" switch-n-click mousing platform

AA360 articulating arm

Lift-and-lock adjustment

21.0" glide track

21.0" clearance required for full retraction

±15° tilt adjustment

7.0" adjustment range

2.5" height above track

4.5" height below track

360° glide track rotation

Positions flush with worksurface

Warranty: 15 yr. (articulating arm/platform)

2 yr. (palm rest/mouse pads)

Solution All-Fit

Keyboard combo solution

\$556

MODEL # SOLUTION ALL-FIT

Save space

Keyboard platforms help maximize the amount of available space on a worksurface.

Dual retraction

This innovative mechanism retracts at two points to achieve full clearance under worksurfaces as shallow as 13 inches.

Features

Recommended for shallow worksurfaces, or benching applications

PL003-27N keyboard platform

27.0" keyboard platform with notch

AA100-PTLO articulating arm

Lift-and-lock adjustment

12.3" glide track

13.0" clearance required for full retraction

+22.6°/-12.4° tilt adjustment

6.0" height adjustment range

2.4" height above track

3.6" height below track

360° glide track rotation

Positions flush with worksurface

Warranty: 15 yr. (articulating arm/platform)

2 yr. (palm rest/mouse pads)

Keyboard accessories

Spacer Kit

\$85

MODEL # SPACERKIT-KBD-BLK

Features

Ideal for height adjustable tables and benching systems, the kit creates a flat mounting surface for keyboard arms and glide tracks where cross channels typically prevent installations

Attaches between underside of worksurface and a keyboard arm or glide track

Includes mounts for benching systems and height adjustable tables

Powder coated steel construction

Two sets of spacers included to accommodate needed spacing between 1.0"–2.2"

Includes installation hardware

Warranty: 15 yr.

Lighting solutions

Shine on

Cast light where it's needed—after all, your work deserves to be seen. Our desktop task lighting and under-cabinet lighting feature a variety of options, like dimming, occupancy sensors, flexible tilt and rotation, and energy-saving enhancements.

MOADJSS-AMPAW

MOADJSS-AMPDW

MOADJSS-RNDAW

MOADJSS-RNDDW

Quick ship complete tables listed

Effortless Height Adjustability

The easy-access lever attached to the table top allows quick and effortless height adjustment for sitting or standing applications.

Features

Laptop or occasional table

Multiple color combinations for unique and elegant design options

Thermofoil formed top

Two available top sizes, 0.75" thick:

Round 22.0" diameter

Amorphic 25.0" width and 22.0" depth

5.5" height adjustment range

22.5"–27.8"(low/high)

(excluding top)

Includes a accessory hook

Non-marring, easy-to-slide glides

25 lb. max weight capacity

Base dimensions:

19.7" depth

23.5" width *(widest point)*

Warranty: 15 yr. *(structural)*

5 yr. *(pneumatic cylinder)*

5 yr. *(worksurface)*

Measurement standards

Measurement standards

Measurement standards

Measurement standards

Position arms parallel to rear edge of the worksurface, with the VESA mounts facing forward (perpendicular to rear edge of worksurface).
Adjust motion arms (if used) to be fully horizontal.
Measure distance between the center points of each VESA plate with the sliders (if used) at their outermost positions.

Position VESA mount facing forward with arm(s) retracted/rotated back so the rear-most point of the VESA mount is in-line with the rear face of the desk clamp bracket.
Measure distance between rear face of the desk clamp bracket and the VESA plate.

Position arm(s) and VESA mount parallel to each other and extending away from the base, as shown. Adjust motion arm (if used) to be fully horizontal.
Measure from pole axis to center point of VESA plate.

Motion Arm Height Adjustment Range

Vertical travel distance measured from center point of the VESA plate with the motion arm at its high point and low point.

High Point

Adjust motion arm (if used) to its highest point.
Measure from top of the worksurface to center point of VESA plate.

Low Point

Adjust motion arm (if used) to its lowest point.
Measure from top of the worksurface to center point of the VESA plate.

Measurement standards

Arm Retraction

Position VESA mount facing forward with arm(s) retracted/rotated back so the rear-most point of the VESA mount is in-line with the rear face of the desk clamp bracket.

Measure distance between rear face of the desk clamp bracket and the VESA plate.

Measurement standards

Position stem and arms parallel to rear edge of the worksurface, with the VESA mounts facing forward (perpendicular to rear edge of worksurface). Adjust motion arms (if used) to be fully horizontal. Measure distance between the center points of each VESA plate with the sliders (if used) at their outermost positions.

Position VESA mount facing forward with arm(s) retracted/rotated back so the rear-most point of the VESA mount is in-line with the rear face of the desk clamp bracket. Measure distance between rear face of the desk clamp bracket and the VESA plate.

High Point

Raise stem to its highest point on the pole with the motion arm (if used) at its maximum height. Measure from top of worksurface to center point of VESA plate.

Low Point

Lower stem to base of the pole with the motion arm (if used) at its minimum height. Measure from top of the worksurface to center point of the VESA plate.

Measurement standards

Maximum Monitor Width

Position stem and side arm(s) parallel with the rear edge of the worksurface, and the VESA mount facing toward the front (perpendicular to side arms). VESA plates must be in-line parallel to each other. Measure distance between the central pole axis and the center point of the VESA plate with the slider (if used) at the outermost position.

Center Arm Extension

Position center arm and VESA mount facing forward (perpendicular to rear edge of worksurface). Measure from pole axis to center point of the VESA plate.

Arm Extension

Position arm(s) and VESA mount parallel with rear edge of the worksurface (extending away from the pole). Adjust motion arm (if used) to be fully horizontal. Measure from axis of the stem arm joint to center point of the VESA plate.

High Point

Raise center arm stem to its highest point on the pole and the side arms positioned so the VESA mounts are at the same height. Measure from top of worksurface to center point of VESA plate.

Low Point

Lower side and center arm stems to their lowest position along the pole.

- Motion Arm Configurations:

Adjust the motion arms (if used) so all VESA mounts are at the same height.

- Fixed Arm Configurations:

Adjust center arm so all VESA mounts are at the same height.

Measure from top of the worksurface to center point of the VESA plate.

Stem Length

Measure from pole axis to the stem arm joint axis.

Motion Arm Height Adjustment Range

Vertical travel distance measured from center point of the VESA plate with the motion arm at its minimum and maximum height.

Side Arm Retraction

Position VESA mount facing forward with side arm(s) retracted/rotated back so the rear-most point of the VESA mount is in-line with the rear face of the desk clamp bracket. Measure distance between rear face of the desk clamp bracket and the VESA plate.

Center Arm Retraction

Position VESA mount facing forward with the stem retracted/rotated back so the rear-most point of the VESA mount is in-line with the rear face of the desk clamp bracket. Measure distance between rear face of the desk clamp bracket and the VESA plate.

Product shown: Evolve3Combo, VictoryLX 3-leg, Designer White worksurface, FlexCharge4, Conceal, CPU Mini, Solution 2

Terms and conditions

For the most up-to-date product and ordering information, refer to the ESI website at esiergo.com.

Acceptance by Customer of delivery of products from ESI ("Products") constitutes acceptance by Customer of these terms and conditions ("Terms and Conditions"). Any additional or different terms proposed by Customer shall be deemed to have been objected to by ESI, shall be of no force or effect, and shall not be binding upon or enforceable against ESI. These Terms and Conditions constitute the entire agreement and understanding between the parties and supersede any and all prior agreements, understandings and communications with Customer, oral or written, relating to the Products. No course of dealing or course of performance, either prior to, during or after the delivery of the Products, shall be relevant or admissible by Customer to supplement, explain or vary these Terms and Conditions. The invalidity or unenforceability of any Terms and Conditions shall not affect the validity or enforceability of any other term or condition, and the remaining terms and conditions shall remain in full force and effect. No waiver, amendment or modification of these Terms and Conditions shall be binding upon or enforceable against Seller until approved in writing by an ESI Authorized Signatory.

Government Terms and Conditions vary from these Terms and Conditions. Contact our Customer Service Department or visit esiergo.com for terms applicable to government purchases.

Discontinued products

Due to changing market demands, ESI periodically may discontinue certain products. ESI reserves the right to change and/or discontinue products at any time without notice.

Payment and credit terms

To establish an account, Customer must complete and submit ESI's New Account Application (signed by company officer), Federal Taxpayer ID (Form W-9) and State Resale Certificate. Once credit is approved, payment terms are net 30 days. Prior to Customer's credit approval (with receipt of required documents), prepayment of orders may be made by corporate check, wire transfer or ACH or for convenience, credit cards (Visa, Mastercard and American Express) are accepted.

Past Due Accounts: Open orders or pending shipments will be held until the account is brought current. ESI reserves the right to amend account terms, at any time, based on account history. Contact our Accounting Department for details.

Deposits: Subject to sales, credit history, and credit lines, a deposit may be required to process large orders.

Purchase order submission

Purchase Orders (POs) should be submitted via e-mail to orders@esiergo.com. POs should include "Ship To" and "Bill To" information along with complete ESI product model numbers and Customer cost. Government orders require a copy of the agency PO at the time the order is placed with ESI. All POs shall be subject to written acceptance by an authorized representative of ESI. Incomplete POs or changes will delay processing and shipment until receipt of all necessary information and ESI's issuance of revised Sales Order Acknowledgment.

Order changes or cancellations

All Customer cancellations and changes must be submitted to ESI in writing to orders@esiergo.com. Order changes include the addition/deletion of line items or changes in quantity or requested Ship Date or Ship To address. Order changes that result in a quantity reduction may be subject to an adjustment in pricing. Change or cancellation requests are not considered accepted until ESI provides a revised Sales Order Acknowledgment. Changes may result in processing delays or shipping delays. Under no circumstances will changes or cancellations be accepted on any special order, custom product, or worksurface order without the express written consent of ESI. All such custom and special orders are non-returnable.

Taxes

ESI is not responsible for the collection of sales tax on products sold to dealers. Dealers must provide Federal Taxpayer ID (Form W-9) and State Resale Certificate to establish an account with ESI. Dealers are responsible for any sales or use taxes assessed if dealer requests that ESI drop-ship direct to dealer's customer.

Pricing and specifications

ESI reserves the right to revise all pricing, discounts, and freight terms, at any time, without notice. Current product pricing is included on product pages at esiergo.com. Prices which are in effect at the time of order shall apply. All prices in the catalog are effective May 1, 2022, and are list price and are in U.S. dollars. All measurements are accurate within 0.25". Visit ESI's website esiergo.com for the most up-to-date product and ordering information, as well as additional specs, dimensional drawings, alternative images and more resources. Contact our Customer Service Department for a current Canadian Foreign Exchange Conversion Rate.

Terms and conditions

Shipping

48 hour shipping program

ESI offers 48 hour shipping on the majority of products. Unless otherwise requested, these products are shipped from multiple shipping points throughout the U.S., within two business days of receiving the PO, depending on quantity ordered and available inventory. Orders that include products with longer lead times including special orders, custom products, or worksurface orders, are designated as "LT" (lead time) and therefore not included in the 48 hour ship program. Large orders may also require additional lead time. Products designated as LT could take up to 90 days ARO for delivery. Call for on-hand availability.

Please note:

1. For the order to qualify for 48 hour shipping, all products on the PO must be available under the 48 hour shipping program.
2. POs that include LT designated products will be shipped based on the lead time of the LT designated products unless otherwise requested.
3. 48 hour orders will be shipped out within two business days unless otherwise specified on the PO.
4. Worksurfaces, Motific, Centro, and Railway may arrive on a date different than the other items on the order.

Freight terms

U.S. - Orders of \$3,500 list (USD) or more, ship free freight.

Orders under \$3,500 list incur a flat \$25 net fee.

Residential freight deliveries will incur a flat \$70 net fee.

Canada - Orders of \$4,375 list (CAD) or more, ship free freight.

Orders under \$4,375 list incur a flat \$50 net (CAD) fee.

Residential freight deliveries will incur a flat \$140 net (CAD) fee.

ESI ships orders by way of standard ground carrier service dock-to-dock within the contiguous 48 states. Special requests such as "call before delivery", "delivery lift gate required", residential delivery, re-routed deliveries, or specific delivery date/time requests may be subject to additional charges or may not be available. Contact our Customer Service Department for expedited delivery requests or deliveries outside of the contiguous 48 states.

Customers will be charged additional fees for changes made to orders that have already departed the facility, resulting in re-delivery or re-consignment.

ESI accepts requests for expedited freight at the customer's expense. Please contact our Customer Service Department at 800.833.3746 and provide your preferred carrier account number in which to charge the expedited freight.

Handling & special services

Cutting fee - A fee of \$40 list will be assessed per unit for all custom cutting requests.

Will call

ESI offers will call pickup at the Las Vegas, Nevada facility. Will call pickups are available Monday through Friday from 7am to 3pm. Requests for will call must be included in the PO. Will call orders will be invoiced on the date requested for pickup.

Damage/shortage claims

ESI packages products to reduce the risk of damage during shipment. ESI verifies order quantity and weight with the carrier before any shipments are made. When receiving an order, first confirm the quantity of cartons delivered with carrier's quantity and inspect cartons for signs of damage. The customer must notify carrier of damages or shortages at the time of delivery, or claims will not be accepted. Do not sign for the shipment until it is verified. Signing a freight bill without any notation relieves the carrier of any responsibility and serves as your acknowledgment to ESI that shipment was received in full. Discrepancies or concealed damage found upon opening the shipment must be reported to ESI in writing within five business days of delivery or Customer waives right to submit a claim. Damaged products must not be removed from point of delivery and must remain in original packaging for inspection by the carrier. ESI is not responsible for damage or discrepancies occurring after delivery. ESI reserves the right to request a return of damaged or defective products.

Returns

Contact our Customer Service Department by e-mail at customerservice@esiergo.com or phone 800.833.3746 to request a Return Authorization (RA) form. Please have the original PO number or ESI order number available. Request for product returns must be made to ESI within 60 days of the date shipped. Products, along with a copy of the RA, must be received at ESI's warehouse within 30 days of the date of the RA issuance.

to be eligible for credit. Products received after this date will not receive a credit. Custom products, products not listed in catalog or on esiergo.com, and worksurfaces are non-returnable, except for quick ship worksurfaces. Package(s) should be sent to:

ESI

ATTN: Returns Department

3051 Marion Dr # 105

Las Vegas, NV 89115

- Products returned to ESI without having been issued an RA or those not meeting the return requirements will not be eligible for a credit.
- To protect your return against loss, ESI recommends choosing a carrier that will provide tracking information and the ability to insure the shipment.
- Products which have been fully or partially assembled are not returnable for credit.
- Products must be returned in undamaged, re-sellable condition and in original packaging.
- Products should be carefully repacked to avoid damage during return shipping. Claims for product damaged on the return shipment are the responsibility of the Customer.
- The Customer is responsible for freight charges associated with returns.

Upon receipt, the product will be inspected to ensure it meets ESI's return guidelines. Once approved, Customer's account will be credited appropriately. No credit will be issued for unauthorized product returns or those not meeting return guidelines. Do not make any adjustments to your account until receipt of ESI Credit Memo. Costs associated with installation, return shipping, etc. of returned products will not be reimbursed. Please allow up to 30 days for returns processing.

Warranty

ESI grants a limited warranty to the End-users of its Products, the terms of which are included with each Product. Customer's remedies set forth herein are exclusive and the liability of ESI with respect to the breach of the Agreement or these Terms and Conditions shall not exceed the price of the Product or part on which such liability is based. IN NO EVENT SHALL ESI BE LIABLE TO CUSTOMER FOR ANY INCIDENTAL, CONSEQUENTIAL,

INDIRECT, STATUTORY, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, LOSS OF USE, LOSS OF TIME, INCONVENIENCE, LOSS BUSINESS OPPORTUNITIES, DAMAGE TO GOOD WILL OR REPUTATION, OR LOSS OF DATA, ARISING OUT OF, OR AS A RESULT OF, THE SALE, DELIVERY, SERVICING, USE OR LOSS OF THE PRODUCTS SOLD HEREUNDER, REGARDLESS OF WHETHER SUCH LIABILITY IS BASED ON BREACH OF CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, AND EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR SUCH DAMAGES COULD HAVE BEEN REASONABLY FORESEEN. Correction of any nonconformity in the manner and for the period provided shall constitute complete fulfillment of all liabilities of ESI, with respect to or arising out of the Product furnished hereunder. No claim by Customer of any kind including, but not limited to, claims for indemnification, whether as to quality or amount of Product delivered or non-delivery, shall be greater in amount than the purchase price for the Products in respect of which damages are claimed.

THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER REPRESENTATIONS, WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, AND ESI MAKES NO OTHER WARRANTIES OR REPRESENTATIONS TO CUSTOMER OR ANY OTHER PERSON OF ANY KIND, WHETHER EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS, AND ESI SPECIFICALLY DISCLAIMS ALL IMPLIED REPRESENTATIONS, WARRANTIES OR CONDITIONS, WITHOUT LIMITATION, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, NON-INTERFERENCE, AND ALL OTHER WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. PRODUCTS SOLD HEREUNDER ARE SOLD ONLY TO THE SPECIFICATIONS SPECIFICALLY SET FORTH BY ESI IN WRITING. ESI'S SOLE OBLIGATION FOR A REMEDY TO CUSTOMER SHALL BE REPAIR OR REPLACEMENT OF NON-CONFORMING PRODUCTS, AS SET FORTH ABOVE. CUSTOMER ASSUMES ALL RISK WHATSOEVER AS TO THE RESULT OF THE USE OF PRODUCTS PURCHASED, WHETHER USED ALONE OR IN COMBINATION WITH OTHER PRODUCTS OR SUBSTANCES.

Terms and conditions

All ESI products are covered under a 15 year warranty, except the components and products listed below:

10 years: Eppa™ series monitor arm, MP Mobile Storage

7 years: Electric table components and motors; Crank mechanisms; Counterbalance mechanisms; Railway™ series (electrical); Centro™

5 years: Laminated worksurfaces; FlexCharge™ series, MP Mobile Storage Cushions, Acrylic Protective Screens, Acrylic Modesty Panels, Motific pneumatic cylinder and worksurface, Lotus-RT, Hana series

2 years: Palm rests; Mouse pads

1 year: Pencil drawers; LED transformers

Warranty labor

ESI shall pay for all warranty labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit against future purchases.

Intellectual property

Customer acknowledges that ESI is the owner of intellectual property related to certain Products, including the registered trademarks and other trademarks (the "Marks") and proprietary designs and patterns, patents and/or pending patent applications, if any, used in connection with its Products (collectively, "Intellectual Property"). Customer shall not use the Marks or any part thereof as part of Customer's name, nor register any name, including domain names, or mark confusingly similar to the Marks. Customer acknowledges that it is not being licensed any right or interest of any kind in the Marks and that Customer may not use same without the prior, written consent of ESI. ESI reserves the right to discontinue deliveries of any products, the manufacture, sale or use of which would, in ESI's opinion, infringe upon any U.S. patent, trademark or design now or hereinafter issued, registered, or existing and under which ESI is not licensed.

Relationship of parties

The relationship of the Parties hereto is that of vendor and purchaser. Nothing in these Terms and Conditions, and no course of dealing between the Parties, shall be construed to create any other type of relationship. Accordingly, Customer shall not

be empowered to bind ESI in any way, to incur any liability or otherwise act on behalf of ESI.

Governing law

These Terms and Conditions shall be governed by the laws of the State of Illinois, without giving effect to the principles of conflicts of law of such state, and shall be binding upon the Parties hereto in the United States and worldwide.

ESI and Customer agree that any legal action arising out of or relating to this agreement or the transactions contemplated by this agreement shall be brought in either the United States District Court in and for the Eastern Division of the Northern District of Illinois or the Circuit Court in and for DuPage County, Illinois, and consents to personal jurisdiction of such courts over them in any such action. Customer waives any defense or inconvenient forum to the maintenance of any such action or proceeding so brought and waives any bond, surety, or other security that might be required of ESI.

Severability

If any clause or portion of these Terms and Conditions shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining clauses or portions shall remain in full force and effect.

Force majeure

ESI shall not be liable hereunder for any failure or delay in the performance of its obligations under these Terms and Conditions, if such failure or delay is on account of causes beyond its control, including labor disputes, civil commotion, contagion, war, fires, floods, inclement weather, governmental regulations or controls, casualty, government authority, strikes, or acts of God, in which event the ESI shall be excused from its obligations for the period of the delay and for a reasonable time thereafter. ESI shall use reasonable efforts to notify the other Party of the occurrence of such an event within five business days of its occurrence.
