

S2S now available to ship in 48 hours on GSA contract

S2S quickly converts a fixed height desk to an active, height adjustable workstation. Featuring two platforms, one for a keyboard and mouse, and the other for a laptop or up to two monitors. The S2S moves all of the workstation essentials in one fluid motion, stopping at any point along the way.

S2S sit-to-stand workstation

- Ships fully assembled, no installation required
- One-handed operation
- Weight adjustable counterbalance pneumatic lift capability; built-in tension adjustment
- Worksurface and keyboard platform move simultaneously
- Product dimensions: 21"d x 35.5"w can be used on worksurfaces 24"d x 36"w
- Straight vertical travel increases stability and security of work tools and technology

Model #	GSA net price
S2S-BLK	\$267.04

Pricing shown is for orders under \$25k list. For larger opportunities contact ESI for pricing. Freight is included in the price.
