ORDERING:

Forward the Pennsylvania state contract purchase order by email to orders@esiergo.com. Pennsylvania state contract customers can choose to be billed directly by the manufacturer. Please have the Pennsylvania state Contract entity issue the Purchase Order (PO) to ESI, C/O (Dealer of Record) which will ensure proper credit of the order to the dealer. If the PO is issued to the Dealer, ESI will need a copy of the first page of the PO and page(s) which include the ESI products being ordered. ESI can also accept credit cards for purchases. Contact our Customer Service department for assistance.

SHIPPING:

48 HOUR SHIP PROGRAM

ESI offers 48 hour shipping on the majority of products. 48 hour ship products are shipped out of Phoenix, Arizona, within two business days of receiving the PO, depending on quantity ordered and available inventory. Orders that include products with longer lead times including special orders, custom products, or worksurface orders, are designated as "LT" (lead time) and therefore not included in the 48 hour ship program. Large orders may also require additional lead time. Products designated as LT could take up to 90 days ARO for delivery. Call for on-hand availability.

Please note:

1. For the order to qualify for 48 hour shipping, all products on the PO must be available under the 48 hour ship program.
2. PO that include LT designated products will be shipped based on the lead time of the LT designated products, unless otherwise requested.
3. 48 hour orders will be shipped out in two business days unless otherwise specified on the PO.
