SHIPPING: 48 Hour Ship Program

ESI offers 48-hour shipping on the majority of products. 48-hour ship products are shipped out of Phoenix, Arizona, within two business days of receiving the Purchase Order, depending on quantity ordered and available inventory. Orders that include products with longer lead times including special orders, custom products, or worksurface orders, are designated as "LT" (Lead Time) and therefore not included in the 48-hour ship program. Large orders may also require additional lead time. Products designated as "LT" (Lead Time) could take up to 90 days ARO for delivery. Call for on-hand availability. Please note:

1. For the order to qualify for 48-hour shipping, all products on the Purchase Order must be available under the 48-hour ship program.
2. Purchase Orders that include LT designated products will be shipped based on the lead time of the LT designated products unless otherwise requested.
3. 48-hour orders will be shipped out within two business days unless otherwise specified on the Purchase Order.

Contact our Customer Service Department for expedited delivery requests or deliveries outside of the contiguous 48 states.
