This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are four visible lines, creating five equal-sized rectangular sections for writing. The left edge of the paper appears slightly irregular, suggesting it might be a scan of a physical document.

### Laminate materials

Worksurfaces are available in select Wilsonart® and Uniboard® laminate options. ESI worksurfaces are either Thermally Fused Laminates, High Pressure Laminates or Premium High Pressure Laminates. Please indicate laminate color choice by adding the 2-letter code at the end of the worksurface model number.

### Thermally fused laminates (TFL) - quick ship and standard

Worksurfaces consist of a single printed decor paper fused directly by heat and pressure to the core material of MDF or particle board.

TFL benefits: cost efficient, consistent and uniform, water resistant, scratch resistant.

### High pressure laminates (HPL) - standard and premium

Worksurfaces consist of a melamine treated printed decor paper fused to multiple sheets of kraft paper. Heat and pressure bond all the sheets together creating a flexible and durable piece of plastic type material which is then adhered to MDF or particle board.

Standard HPL benefits: durable, versatile, stylish, heat resistant, water resistant, scratch resistant, impact resistant, hygienic qualities.

Premium HPL benefits: Same as standard HPL, plus enhanced performance to durability and scratch resistance.

# Terms and conditions

For the most up-to-date product and ordering information, refer to the ESI website at [esiergo.com](http://esiergo.com).

Acceptance by Customer of delivery of products from ESI ("Products") constitutes acceptance by Customer of these terms and conditions ("Terms and Conditions"). Any additional or different terms proposed by Customer shall be deemed to have been objected to by ESI, shall be of no force or effect, and shall not be binding upon or enforceable against ESI. These Terms and Conditions constitute the entire agreement and understanding between the parties and supersede any and all prior agreements, understandings and communications with Customer, oral or written, relating to the Products. No course of dealing or course of performance, either prior to, during or after the delivery of the Products, shall be relevant or admissible by Customer to supplement, explain or vary these Terms and Conditions. The invalidity or unenforceability of any Terms and Conditions shall not affect the validity or enforceability of any other term or condition, and the remaining terms and conditions shall remain in full force and effect. No waiver, amendment or modification of these Terms and Conditions shall be binding upon or enforceable against Seller until approved in writing by an ESI Authorized Signatory.

Government Terms and Conditions vary from these Terms and Conditions. Contact our Customer Service Department or visit [esiergo.com](http://esiergo.com) for terms applicable to government purchases.

## Discontinued products

Due to changing market demands, ESI periodically may discontinue certain products. ESI reserves the right to change and/or discontinue products at any time without notice.

## Payment and credit terms

To establish an account, Customer must complete and submit ESI's New Account Application (signed by company officer), Federal Taxpayer ID (Form W-9) and State Resale Certificate. Once credit is approved, payment terms are net 30 days. Prior to Customer's credit approval (with receipt of required documents), prepayment of orders may be made by corporate check, or for convenience, credit cards (Visa, Mastercard and American Express) are accepted.

Past Due Accounts: Open orders or pending shipments will be held until the account is brought current. ESI reserves the right to amend account terms, at any time, based on account history. Contact our Accounting Department for details.

Deposits: Subject to sales, credit history, and credit lines, a deposit may be required to process large orders.

## Purchase order submission

Purchase Orders (POs) should be submitted via e-mail to [orders@esiergo.com](mailto:orders@esiergo.com). POs should include "Ship To" and "Bill To" information along with complete ESI product model numbers and Customer cost. Government orders require a copy of the agency PO at the time the order is placed with ESI. All POs shall be subject to written acceptance by an authorized representative of ESI. Incomplete POs or changes will delay processing and shipment until receipt of all necessary information and ESI's issuance of revised Sales Order Acknowledgment.

## Order changes or cancellations

All Customer cancellations and changes must be submitted to ESI in writing to [orders@esiergo.com](mailto:orders@esiergo.com). Order changes include the addition/deletion of line items or changes in quantity or requested Ship Date or Ship To address. Order changes that result in a quantity reduction may be subject to an adjustment in pricing. Change or cancellation requests are not considered accepted until ESI provides a revised Sales Order Acknowledgment. Changes may result in processing delays or shipping delays. Under no circumstances will changes or cancellations be accepted on any special order, custom product, or worksurface order without the express written consent of ESI. All such custom and special orders are non-returnable.

## Taxes

ESI is not responsible for the collection of sales tax on products sold to dealers. Dealers must provide Federal Taxpayer ID (Form W-9) and State Resale Certificate to establish an account with ESI. Dealers are responsible for any sales or use taxes assessed if dealer requests that ESI drop-ship direct to dealer's customer.

## Pricing and specifications

ESI reserves the right to revise all pricing, discounts, and freight terms, at any time, without notice. Current product pricing is included on product pages at [esiergo.com](http://esiergo.com). Prices which are in effect at the time of order shall apply. All prices in the catalog are effective March 1, 2020, and are list price and are in U.S. dollars. All measurements are accurate within 0.25". Visit ESI's website [esiergo.com](http://esiergo.com) for the most up-to-date product and ordering information, as well as additional specs, dimensional drawings, alternative images and more resources. Contact our Customer Service Department for a current Canadian Foreign Exchange Conversion Rate.

## Shipping

### 48 hour shipping program

ESI offers 48 hour shipping on the majority of products. Unless otherwise requested, these products are shipped from multiple shipping points throughout the U.S., within two business days of receiving the PO, depending on quantity ordered and available inventory. Orders that include products with longer lead times including special orders, custom products, or worksurface orders, are designated as “LT” (lead time) and therefore not included in the 48 hour ship program. Large orders may also require additional lead time. Products designated as LT could take up to 90 days ARO for delivery. Call for on-hand availability.

Please note:

1. For the order to qualify for 48 hour shipping, all products on the PO must be available under the 48 hour shipping program.
2. POs that include LT designated products will be shipped based on the lead time of the LT designated products unless otherwise requested.
3. 48 hour orders will be shipped out within two business days unless otherwise specified on the PO.
4. Worksurfaces, Motific, Centro, and Railway may arrive on a date different than the other items on the order.

### Freight terms

U.S. - Orders of \$250 list (USD) or more, ship free freight. A \$25 (USD) flat shipping fee will be incurred for orders under \$250 list (USD).

Canada - Orders of \$500 list (USD) or more, ship free freight. A \$50 (CAD) flat shipping fee will be incurred for orders under \$500 list (USD).

ESI ships orders by way of standard ground carrier service dock-to-dock within the contiguous 48 states. Special requests such as “call before delivery”, “delivery lift gate required”, residential delivery, re-routed deliveries, or specific delivery date/time requests may be subject to additional charges or may not be available. Contact our Customer Service Department for expedited delivery requests or deliveries outside of the contiguous 48 states.

Customers will be charged additional fees for changes made to orders that have already departed the facility, resulting in re-delivery or re-consignment.

ESI accepts requests for expedited freight at the customer's expense. Please contact our Customer Service Department at 800.833.3746 and provide your preferred carrier account number in which to charge the expedited freight.

### Handling & special services

Cutting fee - A fee of \$40 list will be assessed per unit for all custom cutting requests.

### Will call

ESI offers will call pickup at the Las Vegas, Nevada facilities. Will call pickups are available Monday through Friday from 7am to 3pm. Requests for will call must be included in the PO. Will call orders will be invoiced on the date requested for pickup.

### Damage/shortage claims

ESI packages products to reduce the risk of damage during shipment. ESI verifies order quantity and weight with the carrier before any shipments are made. When receiving an order, first confirm the quantity of cartons delivered with carrier's quantity and inspect cartons for signs of damage. The customer must notify carrier of damages or shortages at the time of delivery, or claims will not be accepted. Do not sign for the shipment until it is verified. Signing a freight bill without any notation relieves the carrier of any responsibility and serves as your acknowledgment to ESI that shipment was received in full. Discrepancies or concealed damage found upon opening the shipment must be reported to ESI in writing within five business days of delivery or Customer waives right to submit a claim. Damaged products must not be removed from point of delivery and must remain in original packaging for inspection by the carrier. ESI is not responsible for damage or discrepancies occurring after delivery. ESI reserves the right to request a return of damaged or defective products.

### Returns

Contact our Customer Service Department by e-mail at customerservice@esiergo.com or phone 800.833.3746 to request a Return Authorization (RA) form. Please have the original PO number or ESI order number available. Request for product returns must be made to ESI within 60 days of the date shipped. Products, along with a copy of the RA, must be received at ESI's warehouse within 30 days of the date of the RA issuance.

# Terms and conditions

Customer acknowledges that ESI is the owner of intellectual property related to certain Products, including the registered trademarks and other trademarks (the “Marks”) and proprietary designs and patterns, patents and/or pending patent applications, if any, used in connection with its Products (collectively, “Intellectual Property”). Customer shall not use the Marks or any part thereof as part of Customer’s name, nor register any name, including domain names, or mark confusingly similar to the Marks. Customer acknowledges that it is not being licensed any right or interest of any kind in the Marks and that Customer may not use same without the prior, written consent of ESI. ESI reserves the right to discontinue deliveries of any products, the manufacture, sale or use of which would, in ESI’s opinion, infringe upon any U.S. patent, trademark or design now or hereinafter issued, registered, or existing and under which ESI is not licensed.
