REMOVABLE OPTICAL DIFFUSER
The easily-removable optical diffuser enables the user to alter the light distribution. Diffuser mounts magnetically making it easy to remove or snap on.

- Color temperature: 3500 K
- Light quality: CRI 85
- **Total lumen output: 550 w/diffuser (24")**
- Total power usage: 11W (24")
- Lamp life: 50,000 hours
- Continuous dimming
- Includes wood and magnet mounts
- Daisy chain configurations
- Optional occupancy sensor
- **Light bar rotates 360° degrees**
- **Removable optical diffuser**

LUCERA

- Color temperature: 3500 K
- Light quality: CRI 85
- **Total lumen output: 250 (24")**
- Total power usage: 6.3W (24")
- Lamp life: 50,000 hours
- Continuous dimming
- Includes wood and magnet mounts
- Daisy chain configurations
- Optional occupancy sensor
